

Howards selected as Yard of the Month

Mr. and Mrs. Jay Howard were selected as June Yard of the Month winners for Lexington. They have an easy care yard with bark instead of grass, a nice picket fence, many flowering shrubs, including roses,

trees and perennial flowers, all of which take minimum time. Most of the yard is watered with an underground drip system. The rest, including barrel planters, are watered with a drip system that doesn't have to be moved.

Chamber Chatter

By Claudia Hughes, Chamber Manager

* Take a chance, it makes your life more interesting. When two bikers stopped by the Chamber Office on Monday asking about camping between here and Hermiston, I ended up sending them out Highway 84 to my home for the night. You'll hear more about these two college graduates and their adventure next week in the Gazette. I told them their cost of room and board was an interview.

* Many thanks to the "task force" called together to meet with Margie Lundell of Oregon Film and Video and Bridget Sarabi who is doing a story on film opportunities in Oregon. With such short notice, the group did an excellent job of sharing what Morrow County has to offer the film industry.

* Along these lines, does anyone know of alpine meadow easily accessed by large vehicles where Nick Nolte might finish filming a Disney movie? Call me.

* Chamber next week: learn all about the European Hunt, presented by TREO. This is becoming a topic of conversation all over Oregon and will benefit our community in many ways.

Quote for the week: "A man can fail many times, but he isn't a failure until he begins to blame somebody else."

Show Dad Your Taste Has Improved.

Over the years, some things have changed. Like your taste in clothes. And gifts.

So why not surprise him with a Father's Day gift that's a cut above the usual: Top Sirloin or T-bone steak, grilled to mouthwatering perfection.

You won't have to worry about sizes or patterns, steak is always in style. And instead of taking up space in the back of his closet, this gift will be put to use right away.

Make this Father's Day one he'll really savor. Serve him steak for dinner, and show him good taste runs in the family. Beef. Real food for real people.
