MCHS plans for annual meeting

By Delpha Jones

The Board of Directors of the Morrow County Historical Society met at the home of Mr. and Mrs. Jerry Peck in Irrigon on Monday evening. In the absence of the secretary, Ruth McCabe, Pat Wright filled the office. There was much discussion of several issues. The Annual meeting scheduled for Sunday, October 2, was planned. The speaker for the day will be George M. Bennett of Hermiston, a retired Union Pacific employee who will talk on the early railroads. This is in conjunction with the honor the group is doing of the 100 years that the railroad has been in the county.

Jean Nelson gave an interesting report on the Oregon Trail and the work being done to get it marked throughout Morrow County and especially to get the tourists interested in the area. Robin Baker from the office of tourism in Lone sponsors trips to the sight on Saturdays. The excursions are done with the approval of the Navy and are scheduled accordingly. There are also books, pamphlets, hats and tee shirts available in the store. It is on Main Street near Bristows Market and Swansons Insurance. One might find it worth while to stop in and get acquainted. A fine report was heard concerning the Pioneer Picnic which the group sponsored this year.

It was brought to the groups attention of the Sam Boardman Rest area on the old highway. It is thought to be the first roadside rest area in Oregon. There is an eight sided gazebo there and trees. It is hoped that the society can get a sign and help with fixing it up a bit for an attraction for visitors.

A fair booth committee was appointed, Barbara Bloodworth, Pat Wright, Sue Vinson and Dorris Graves. The theme is Trail Days and Country Ways and the committee is open to suggestions.

Dorris Graves reported on the calendar planned for the coming

year. It is hoped that this can be colored pictures of the various places in the County, and some are: Hardman, cemetery at Valby Church several of the Oregon Trail as seen through the bombing range and first graduation program of the Lexington school, a winter scene and others. These calendars will sell for more than in previous years, due to the expense of printing. It was voted to raise the dues to \$5 per person, starting in the year 1989. Lovely refreshments were served by the hosts Mr. and Mrs. Peck. Present were Mr. and Mrs. Harold Peck, Mr. and Mrs. Darrel Vinson, Mr. and Mrs. Jim Bloodworth, Pat Wright, Jean Nelson, Dorris Graves, Helen Currin and Delpha Jones. The group also watched a VCR tape concerning construction of Cascade Locks and Celilo Falls.

Chief Rathbun's Tips

Home safety on guns-all family members should know the rules of safety and how to handle a gun. Do not keep a handgun a mystery to children.

Keep all firearms safely secured and out of reach of children. No amount of lecturing will prevent a curious youngster from playing with a handgun if they discover it. Store your gun under lock and key. Never store ammunition in the same place as your gun.

What are the three assurances for the Christian? 1. The Word of God as seen primarily and objectively in the scriptures "He who has the Son has life," (1 John 5:12) and therefore, when you trust Christ's word and act upon it by asking Him into your life, you can know that He has come according to His promise, and that you now have eternal life. Peter said much the same thing "Through the living and eternal word of God you have been born again" (1 Peter 1:23). And Jesus taught that the wise person "hears these words of mine and acts upon them." The house of his life would stand firmly on the rock of Christ and his word even in the midst of storm and tempest." (Matthew 7: 24-27).

When Jesus himself was being buffeted by doubt shortly after His Father had said to Him "You are my beloved Son," he countered Satan with the word of God. Three times He said "It is written..." He was quoting from the scriptures. (Matthew 4: 1-11). It was in this way that he stood firm on the rock. Rely on subjective experiences and you will be up and down like a yo yo. But depend upon the objective facts of Gods' promises and you have a basic stability to your faith that nothing can finally shake. Scripture cannot be broken said Jesus. Here are a few well tried promises for you to remember and claim.

"I give them eternal life and they shall never perish and no one shall snatch them out of my hand"; "I will never fail you nor forsake you"; "I am with you always to the close of the age"; "He who comes to Me, I will not cast out".

In your own reading of the Bible, you will find it valuable to add to these promises, and to learn them. Perhaps writing them down in a notebook. Many find this of considerable help, especially in the early days.
