

Chamber Chatter

By Claudia Hughes, Chamber Manager

"To keep a lamp burning, we have to keep putting oil in it." Mother Teresa - The same may be said for a community, to keep it thriving, we have to put time into it!

It takes time to build planters, time to stain and maintain them; time to redo a store front, pull the weeds, hose down a sidewalk. It takes time

to smile and listen to someone's problems; time to attend a meeting and work on a community event; time to pursue the hotel project and Willow Creek Park; time to recruit funding for medical equipment and drug enforcement.

It takes time to take a vacation in order to dive back into the process of day to day living; and it especially takes time for your family because if they aren't thriving, neither will you or your community.

To all of you who give this time, whether it's to bend over and pull a weed or attend numerous meetings to accomplish one thing, or just take the time to hug a friend, spouse, or your kids (our future), a GREAT BIG THANKS! Heppner is lucky to have you.

Next week - August 9 will be the program on drugs in Morrow county. See you then.

Two Trackers hold trail ride

Rondi Robinson, Reporter

Seventeen riders from Morrow and Wheeler Counties participated in a trail ride July 9 and 10. Participants trailered horses to the mountain home of John, Nella and Sara Britt, for an overnight campout.

Riders enjoyed a scenic trail ride to Bull Prairie and were treated to a scavenger hunt experience. The

finders of ribbons that were placed along the trail route, were awarded horse care projects as prizes.

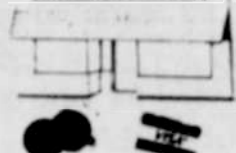

The Two Tracker riding club practices will continue on Fridays at 7 p.m. If the fairgrounds is not available for practice, the practices will be held at the Robinsons feedlot, one and one-half miles east of Heppner.
