

Carnival to return to fair

Randy's Funland coming back to fair

The Morrow County Fair Board has again signed a contract with Randy's Funland from Clackamas to provide rides, games and food for the August 17-21 fair and rodeo. Randy Ross, owner, has announced he will be bringing more rides than last year and two BIG rides, besides

the hammerhead, jumping castle and merry-go-round, plus games.

Caramel and candy apples, snow cones, popcorn, soft drinks and ice cream will also be available.

The carnival will be located on the Little League field at the fairgrounds.

See Shorty's Museum during fair

Shorty's Museum was first started when Harold "Shorty" Peck began working with the Fair Committee. This museum was a big barn on the fairgrounds that had been used by the Wrangler's Riding Club. When the Wranglers quit using it, it then began accumulating storage items.

Jim Launer and Shorty Peck, with occasional help from the fairgrounds caretaker, cleaned out the barn and lined it with plywood. A new tin roof was added and then the fun part began as they worked to fill it.

Virginia Grieb, a former Fair Board member, gave the museum the name of "Shorty's Museum" and the name has been with it ever since.

Shorty's Museum is a home to a great many things from the by-gone-years. Among the household articles are stoves, washing machines, cupboards, wringers, churns, lamps and lanterns. There is horse drawn equipment such as wagons, buggies, corn planter, feed grinder, threshing machines and drills.

In the hand tools collection are bits and spurs and a turkey wing cradle. There are also collections of barbed wire. These are only a few of the antiques on display.

If you like antiques, come and see us at the Fair and Rodeo. Museum hours are 10 a.m. to 5 p.m. throughout Fair, except for Sunday.

BEECHERS FINE FOODS

Fair Special--\$9.00

Prime Rib & Salad Bar

Friday and Saturday (until 10 p.m.)

Ione, OR 422-7540

\$50 for best photo

There is a \$50 prize for first place in the Conservation Photo Contest sponsored by the Morrow County Soil and Water Conservation District. The theme this year is "Conservation Within Morrow County: The official preservation of Natural Resources, such as Topsoil, Forests, Wildlife and Water Ways."

There are second and third prizes of \$35 and \$15 respectively as well.

The contest rules require either black and white or color prints, no larger than 8"x 10". The photos must have been taken in Morrow County, must be mounted and have the location and conservation practice (or title) on it.

Prints become the property of the SWCD to use in decoration of the new Agricultural Service Center building.

So get out the camera and look around. There are conservation practices everywhere.

Shuttle bus will run to fairgrounds

The shuttle bus will run again this year, with the cooperation of the Morrow County School District which will provide the busses and drivers.

The bus will run from the high school through downtown Heppner and to the fairgrounds Thursday and Friday from 2-10 p.m. and Saturday from noon to 9 p.m. The bus will leave the high school on the hour.

Also on Saturday and Sunday, the school district is allowing the use of the bus barn parking lot for rodeo committee members and fair superintendents parking to help alleviate the problem of parking spaces.

Fair and rodeo goers may wish to take advantage of the free bus service to avoid parking problems at the fairgrounds.

Bus Shuttle-Morrow County Fair

Thursday, Aug. 18.....	2 p.m.-10 p.m.
Friday, Aug. 19.....	2 p.m.-10 p.m.
Saturday, Aug. 20.....	Noon until 9 p.m.

Pick-up will be at the Heppner High School where ample parking is available and downtown Main St. in front of the Heppner Hotel.

Crafters needed

The Craft Village is in need of more people to sign-up to show their crafts during the fair.

Crafters demonstrate their crafts and display and sell their wares.

Anyone interested, please contact Rene Devin or the Fair Office at 676-9474.

Don't miss the log bucking

See log buckers demonstrate their skills

A fairly new addition to the county fair is log bucking. Last year was quite a success and this year is expected to be even better.

Each contestant will pay a fee of \$10. Cash awards will be paid to the first four places. Contestants may use only stock saws. No modified chainsaw is allowed. This is a timed event and the timers will be provided by the fair. This is for amateurs only.

The log bucking contest will be held Sunday, August 21 at 10 a.m. at the fairgrounds.

Stihl Chainsaw Company has donated a trophy for first place.

For more information, contact the

fair office 676-9474.

The entry deadline is August 19.

Stop by Children's corner

The Children's Corner is always a good spot to visit during the fair. With the imagination of today's youth, one can find many creative entries.

In the premium book, please note the added entries and rules. The three age divisions are: Kids 3-7 years; Super Kids 8-12 years; and Teen Corner 13-18 years.

If anyone is interested in volunteering to be a superintendent in this "mini" fair, please give the Fair Office a call.
