Our sincere "Thanks" to all the fine people who helped control the shop fire at our ranch on Wednesday the 31st. Special thanks go to the MCGG crew, the airport, John and his plane, and our neighbor, LeRoy Rea, and his friend, who discovered the fire. As we have said before, where but this area can one have such fine neighbors, friends and passers by who stopped to help? Again our heartfelt "Thanks".
Cecil & Delpha
