

Soccer comes to end of season

Travis Pettyjohn moves the ball down field for the Heppner Gold team Saturday in their soccer game against Hermiston. Hermiston beat the rookie Heppner team 5-0.

The Heppner soccer program finished its season Tuesday, Oct. 25. Sixty Heppner and Lexington youth participated in the program. On Saturday Heppner Soccer teams competed with Hermiston teams. The seven and eight year olds lost a close match. After trailing 3-0 Derek Gunderson scored two for the period goals and the team was challenging again when the game ended.

The nine to eleven year olds faced much more experienced competition. The Gold team lost 5-0 and the Red team lost 6-0. The excellent competition was a good experience for the young Heppner soccer teams. The soccer coaches George Waterland, Dorian Forrar, and Bob Briggs and referee George Koffler did an excellent job and their volunteer efforts were greatly appreciated.

Timms and French have experience, and understanding

Dear Editor:

Because of the sparse population, our region of the state does not get the level of representation it deserves in Salem. The policies put forth by the Governor's Office and legislative groups from the Willamette Valley

are usually those that prevail. Fortunately we have some good strong leaders representing our region in State Senator Gene Timms and State Representative Ray French. These men have the seniority, the understanding of the legislative process, and the experience to provide the strong representation that we need. We may be few out here, but we need to be strong. I urge you to vote to return Gene Timms and Ray French to the State Legislature.

Very truly yours,
