Fishing opportunities abound on the Heppner Ranger District of the Umatilla National Forest. The lakes and streams of the area are filled with rainbow trout, largemouth bass, and other game fish just waiting to be caught. There are a wide range of experiences that await the avid angler on the District. These can range from the solitude and serenity of a pristine trout stream in the mountains, to a fun filled day of picnicking and fishing with the whole family at one of the lakes.

Whether you're after the trophy, or just relaxing, the National Forests are yours to enjoy. There is no better way to see these national treasures, than to get out and go

fishing. While your out there on the District, keep a keen eye out for the many elk and deer that make the forest there home. Nothing can make a fishing trip more complete than the wildlife and vivid scenery that will accompany you on your excursion.

The miles of streams and acres of lakes on the district represent some prime fishing opportunities close to home. These opportunities, coupled with the beauty of the Blue Mountains can make for an unforgettable fishing trip. National Fishing Week is June 5 through the 11. During this week (or any other) a fishing trip would be an excellent idea. Help celebrate National Fishing Week, and reel in some fishing fun.
