

On any given day in America, roughly 20 million people buy take out food.

(Connect the dots to find this week's T-Bill Money Market rate.)

With Our Connections, You'll Earn Higher Money Market Account Rates.

Our T-Bill Money Market Account is connected to the 13-week Treasury Bill, so it's higher than the rate most banks are paying today. And it will be just as attractive tomorrow.

To earn this rate, you need only \$1,000.

You won't pay any set-up fees and your money is federally insured to \$100,000.

You can also write up to three checks per month for any amount. And you can deposit or withdraw money as often as you want at any Benj. Franklin office.

7.75% rate Rate in effect week of the base of the weekly auction of the 13-week U.S. Treasury Bill (libor) rate as most recently determined and announced by the United States Dept. of Treasury, and one half percent. No interest is earned on any one year balance below \$1,000 and there would be a \$10 service fee for that month. Rate and terms of account are subject to change.

Community Hall scene of anniversary

By Delpha Jones

The Hardman Community Hall was the scene of a lovely 50th Anniversary celebration honoring Creth and Darrel Harris on Saturday, July 8. A potluck dinner was enjoyed. Due to the fact that the children of the Harris's were unable to be together to host this affair, neighbors and friends served as hostesses, Beverly Wright, Norma Craber, Judy Stevens and a host of others helping out. The rooms were decorated with white streamers and wedding bells serving as background for the lovely three tiered anniversary cake, decorated with pink roses, white Lily of Valley and gold leaves. The cake top was a heart shaped golden wire with gold and white lace on a small pedestal of crystal with 50 years in gold, and hanging from the center the two golden wedding rings. The service was silver with silver serving dishes, and a crystal punch bowl with pink punch, carrying out the honorees favorite color of pink. Pouring were Eileen Saling, Julia Hill and Delpha Jones and Charlene Whitney. As guests registered they were given a pink pencil with Golden Anniversary, Creth and Darrel, gifts from the couple. Centering the guest book table was a pink rose, and sweet pea bouquet flanked with pictures of the

Darrel and Creth Harris

Harris children, Major John and Bob and wife and grandson Brad. The arrangement was courtesy of the Bob Harris family who is living in Korea where he is with the U.S. Army. All those assisting were presented corsages of pink carnations from John Harris with the honoree's pink roses and sweet peas, and Darrel with a

pink carnation boutonniere and John a son from LaGrande, the same. Mr. and Mrs. Harris have spent a great deal of their 50 years of married life in Morrow County, with most of it in the Rhea Creek area. The afternoon was spent visiting and renewing acquaintances with people coming from Pendleton, Portland, Pilot Rock, LaGrande and local areas.

Chamber Chatter

By Claudia Hughes, Chamber Manager

Contrary to popular belief, I did not go on my son's honeymoon. The wedding was very special and it was wonderful to see all our family and friends who made the long trip to Medford to share our happiness. Another family joined together. Isn't that where it all begins? Our families enable us to go forth in our communities, share, give of ourselves, and accept change as it comes along. As young adults from two families are united in marriage it involves a blending together of both likenesses and differences for a strong union. The same may be said for organizations working toward community development...all require understanding, communication and compromise for a positive future.

A visit to the Crescent City, Calif., Chamber of Commerce was part of the itinerary. What a beautiful Chamber facility, something to dream about for Heppner. Of course, their drawing card are the Redwoods, which are well worth a visit. They tend to make one realize how very small and insignificant we are in the total scope of things. Twelve Sitka spruce trees growing from one 32 foot diameter Redwood trunk gives you some clue. Fun to be a tourist, but good to be home.

Speaking of tours, Chamber plans a tour to Chem-Security and Oregon Waste Systems in Arlington, either August 1 or late September. Decision will be made at next week's Chamber meeting. If you are interested, contact the Chamber office.

The Adventures of Grazelda & Clem...

(After Hours)
5:00 a.m. - 11:00 p.m.

At 11:00 p.m. Clem groaned, "Hey Grazelda, roll over, you're snoring again!"

At 3:00 a.m. Clem Hollered, "Please roll over, Grez, you're snoring again!"

At 5:00 a.m. Clem Screamed, "Hey You! Roll over! You're Bringin the house down!"

At 9:00 a.m., Grazelda Yawned: Say Clem, would you run on down to Miller's Mini Mart & Chevron and get some coffee, so I can have some in bed? I didn't sleep a wink last night, and I just can't get up!"

Clem had a kitten!
