### North Morrow Center re-located

The Irrigon-Boardman-North Morrow County Neighborhood Center is moving into a larger facility due to increase of the number of people being served. The new address is 225 Eighth Street, Irrigon, (next to the fire station, across from the post office).

The center receives USDA commodities, United Way and federal emergency funds, plus local donations. However, these funds are nearly exhausted, at this time, due to increased demands from low-income families for emergency food plus other needs.

The center is now in need of food, bar soap, laundry detergent, dishwashing liquid and bathroom tissue. Any donations of these and other articles will be greatly appreciated. The center can not accept home canned goods.

The center is open Tuesday 9 a.m.-3 p.m. and Thursday 9 a.m.-noon.

There will be a yard sale in August to help generate badly needed funds. Please bring any contributions you may wish to donate for this sale to the Neighborhood Center at the above address.
