

Riverside JV spikers beat Redsidies, Tigers

By Marty Suter
Riverside JV players squeaked by Wasco County Redsidies and the Stanfield Tigers in last week's volleyball matches.

Riverside defeated the Redsidies 15-2, 10-15, 15-12 and Tigers 15-8, 11-15, 15-12.

Pirate spikers racked up point after

point, but their inconsistent floor play hurt them.

Joleen Huffman and Dawn Ammons played good defense and Huffman's serves were turning points in the game, to shove Riverside to victory over Wasco County.

At Stanfield, Connie Rodriguez's back court play and Tracy Mabe's

unstoppable serves shut down 6'4" middle blocker, Michelle Marcum. "We served well at critical times and moved our feet, keeping the ball alive," said coach Mark Atkinson. "I was very pleased when we didn't lose composure at extremely crucial times." The Pirates revived themselves with solid play, to prevail over a 2-12 score in the third game.

Pirates roll up 300 yds offense in 35-16 win

By Mikka Evans
The Riverside Pirates got off to a quick start in their 35-16 victory over the Weston-McEwen Tiger-Scots Friday night.

The Pirates rolled up more than 300 yards of offense, with 218 yards on the ground. Leading the Pirates was Jon Horn, who rushed 19 times for 144 yards. Quarterback Jeremy Tovey completed five passes for a total of 100 yards.

Riverside scored on their first possession when Tovey hit Lyle Hobbs on a third-down play for 57 yards. After the Tiger-Scots were forced to punt, Tovey pushed it in from a yard out for another Pirate

score. The Tiger-Scots scored on their first possession of the second half and ran the conversion to pull within six points, 14-8, but the Pirates took over from there and controlled the rest of the game.

The Pirates will be playing the Mustangs at Riverside on Thursday at 7:30 p.m.

Pirate spikers spoil Wahtonka homecoming

By Mikka Evans
The Riverside Pirates met up with the Wahtonka Eagles, and spoiled Wahtonka's homecoming last Thursday with a 15-12, 15-1 victory.

The Pirates had tough play all-around with good offensive net games by Sherry Lake and Kassie Westmoreland. Also helping the team was the good effort by setters Lisa Short and Rochelle Neal.

"Once again I felt the girls did a good job of coming ready to play," said coach Donna Barton. "It's harder to play a team that sends hits over in an inconsistent way because you have so much court to cover."

Riverside played at Wasco County this Tuesday, Oct. 10 and will be playing the Heppner Fillies at home on Thursday.

Pirates still undefeated in league volleyball action

By Marty Suter
After the 15-3, 15-7 route over Weston-McEwen, Sue Stubblefield, one of the CBC referees, said "the serves won the game for Riverside."

The Wahtonka Eagles also got a taste of Riverside's serves. Michelle

Jeppsen and Mikka Evans were perfect from the line. Pirates front line, led by Joleen Huffman, kept the Pirates alive to spoil the Eagle's homecoming, 15-10, 17-15.

Serves win game for Riverside

By Mikka Evans
The Riverside Pirates continue to be undefeated in the league by beating the Weston-McEwen Tiger-Scots and the Wahtonka Eagles.

The Pirates took on the Tiger-Scots at Riverside last Tuesday. The Pirates were expecting a tough game against the also undefeated Tiger-Scots team. The Pirates didn't get much playing action against the Tiger-Scots tough winning 15-3 and 15-5.

"I thought we came ready to play," said the Pirates coach Donna Barton. "We never really did

much except serve though." Starting line up for the Pirates were seniors Kassie Westmoreland, Sherry Lake, Lisa Short and Marty Suter. Juniors starting were April Morgan and Trina Sayles.

Columbia River Heritage plan to be presented

By Beth Stephens
Sam McKinney, coordinator, Columbia River Heritage Program will be at Irrigon City Hall October 18 at 7 p.m. He will present a plan for the development of the 325-mile long Columbia River Heritage Trail, and the 1992 Columbia River Bicentennial Celebration. This plan was prepared by the Oregon Historical Society in cooperation

with the Columbia River Heritage Association, the organization that represents the 44 cities and 18 counties of the Oregon-Washington river corridor.

The Columbia River Heritage Trail will identify, mark and interpret the many historical, cultural, natural and recreational attractions of your city and the Oregon-Washington Columbia River Corridor from the mouth of the river to

the Tri-Cities area. It is to be completed and dedicated as a third-century river resource in time for the 1992 Columbia River Bicentennial Celebration which will commemorate the 200 anniversary of the first American and British explorations of the Columbia River.

The overall plan is ambitious and challenging. Its success depends on the support and participation of each and every Columbia River City and Country.

Ponies win 2 of 3 games

By April Rollis
On September 21 the Heppner Ponies played against the Lone Cardinals with the 8th graders winning two out of three games. The seventh graders also won their game with two out of three. Our girls made some good serves and saves to win. This game was played at Heppner.

On Sept. 28 the Ponies traveled to Stanfield to play the Stanfield Cubs. The seventh graders played first and won their game after three games of play. The eighth graders also won in two out of three games.

On Oct. 5 the Ponies had home court advantage and played Pilot Rock Rockets. An excellent game

was played with the seventh graders winning two out of three games. The eighth graders played a close game against their opponent winning all three games. The games were saved by a quick eye, good serves and pets.

On Oct. 7, the teams traveled to Umatilla for a tournament against Pilot Rock, Umatilla and Lone. After a disappointing game they went out for a pizza and came home in better spirits. Each girl from the Heppner team received a brown ribbon for participation in the tournament as the Ponies did not place.
