Fillies miss playoffs with loss to Pirates

By Scott Johnston

The Heppner Fillies ended their 1989 volleyball season, Oct. 24 when the visiting Riverside Pirates came from behind to beat the Fillies in three games 15-6, 11-15, 13-15.

The loss put a disappointing end to the Fillies season as they fell just short of the District Tournament.

Coach Terri Gentry had mixed emotions after the heartbreaking loss to the Pirates. "I'm disappointed we didn't make the playoffs, but I'm not disappointed in the way the Fillies played hard."

The fired-up Fillies came out hot in the first game as they dominated the Pirates. Heppner won the game 15-6, behind the serving of Kim Stookey, who served for six points. The momentum started to turn on

the Fillies in the second game as Riverside started to make their comeback. The Pirates won game two, 11-15.

The third and deciding game was a classic battle between the two Morrow Co. rivals as both teams fought hard for every point. Riverside went on to win the match and become the CBC Western Division Champs.

The Heppner Fillies ended their fine season with a 10-8 overall record and were 6-4 in the CBC. Jennifer Currin was selected to the CBC All-Star first team and Nikki Brisbois was a second team selection.

Coach Gentry commented, "we had a good season, I hope the girls had as much fun as I did. I'll miss them."

Pirates down Fillies in game

By Mikka Evans

The Riverside Pirates took on the Heppner Fillies last Tuesday for their last league game of the season. The Pirates ended the regular season in style, with a tough 6-15, 15-11, 15-13 win over the Fillies.

Riverside had great teamwork. The Pirate's setters, Lisa Short and Rochelle Neal, did a good job by setting up 74 attacks. The Pirate's front row players, Kassie Westmoreland, Trina Sayles and April Morgan played tough and combined for 30

blocks while Westmoreland had nine kills.

"I feel really good," says Coach Barton about the game. "We have lost our share of games where we were up 10-2, or 11-3. It was nice to win one."

When asked how she felt about going on to district coach Barton commented, "I feel pretty good. I know Weston-McEwen will be tougher than they were during our league game, but I think we have a good chance."

Pirates set for Umatilla showdown

By Mikka Evans

The Pirates took the weekend off with their bye from Wasco County, but they are preparing for a tough match-up against the Umatilla Vikings this Friday.

The Pirates will be fighting the

No. 1 position against the Vikings.

"I think the game should be exciting. It should be a good football game," comments Coach Dirksen. "There should be lots of action in Friday's game and a lot of fans interested."

Ponies play last game

By April Rollis

The Heppner Ponies played their last volleyball game against the Condon Devils Oct. 26.

As the 7th graders were warming up, the 8th grade girls were ready to challenge their opponent. Hours of practice paid off as Heppner girls defeated the Devils in two games.

There was some uncertainty as to what to do when the electricity went off during a rain storm, but the 7th grade girls went ahead and played their first game. Although it was getting a little dark in the building, the Ponies won anyway. The Devils won the second game and because of lack of light the last game was cancelled which resulted in a tie.
