New faces, facelift at Heppner Day Care

Kathy Tellechea

There are some new faces...and a new facelift at Heppner Day Care, Inc. Kathy Tellechea, Lexington, has been hired as the day care center's new director. She has four-and-a-half years' experience with Heppner Day Care and is head teacher for the nursery group of children one to two-and-a-half years old. Kathy and her husband, John, have two children, Jim and Phillip. "I'm thrilled," said Kathy. "I'm really looking forward to my new position as director."

Kathy replaces April Hilton-Sykes, who resigned to take a position with her husband's business, the Heppner Gazette-Times. April, who has been day care director for the past year-and-a-half, is now editor of the G-T. "I'll really miss working at the day care," said April. "It's very rewarding and challenging. But I know Kathy and the rest of the staff will do an excellent job."

Also new at day care are board members, Andrea Denton, Caroline Zaworski and Norma French. They join board President Molly Rhea and members, Kathleen Lowe, Karen Clough and Lori Straley.

Heppner Day Care has also had a facelift—both indoors and out. Building landlord Howard Cleveland has had additional cement poured in the back yard. Cement now extends from the back door to the back fence and greatly increases the space for shooting baskets and riding trikes.

Kinzua Corp. donated bark chips to spruce up the play area under the swings and Dan Calvert spread the chips and created a new tire-play area, including a tire sandbox on the other side of the yard. The tires were donated from Les Schwab. Dan also laid new sod for a grassy play area on the side of the day care building and built a television stand and book and supply shelves. In addition to his position as teacher for the intermediate group of children 2 1/2 to 5 years old, Dan also takes care of yard and building maintenance.

A Heppner High School wood-

shop student, under the direction of shop teacher Dave Fowler, made new wooden "cubbies" to hold the children's boxes and belongings. The cubbies were made by Tim Davidson, brother of Tina Davidson.

Tina has worked for the past year-and-a-half as a day care teacher for the school-age group, ages five to 12. She also coordinates curriculum supplies.

The Heppner Soroptimist Club has made a recent and much appreciated donation to the day care kitchen—a new microwave. The microwave was presented to past and present day care directors at the Soroptimist meeting Nov. 16. "It's just wonderful," said Kathy, "especially when you cook for 20 to 30 children a day."

Anyone wishing to visit the day care center may call Kathy at 676-5429 or stop by at 330 N. Gale.
