Sheriff's assoc. gives scholarships

Morrow County Sheriff Roy Drago announced that the Oregon State Sheriffs' Association is giving 32 $500 scholarships to second year students in law enforcement and corrections in Oregon. The scholarships are provided as a result of a fund raising drive by the sheriffs through the Honorary Sheriffs Membership Program.

Sheriff Drago said that students interested in applying for a scholarship should apply through the financial aid office of their community college or university. In Oregon, all community colleges except Central Oregon and Umpqua have programs in law enforcement and corrections. In addition, Southern Oregon College in Ashland, Western Oregon College in Monmouth, Portland State University and the University of Portland have programs where students can apply for the scholarships. Two scholarships will be offered by Lower Columbia College in Longview, Washington to Oregon students.

The Oregon State Sheriffs' Association has now developed a permanent endowment fund for scholarships and encourages persons interested in making donations and bequests to contact Gail Heenan, Executive Director, Oregon State Sheriffs' Association, 1212 Court St., Suite 301, Salem, OR 97301, phone 1-800-624-4405.

Scholarships are being offered to the following schools: Blue Mountain Community College, Pendleton; Chemeketa Community College, Salem; Clackamas Community College, Oregon City; Clatsop Community College, Astoria; Lane Community College, Eugene; Linn-Benton Community College, Albany; Lower Columbia College, Longview, Wa.; Mt. Hood Community College, Gresham; University of Portland, Portland Community College and Portland State University; Rogue Community College, Grants Pass; Southern Oregon College, Ashland; Southwestern Oregon Community College, Coos Bay; Treasure Valley Community College, Ontario; Western Oregon State College, Monmouth.

ASC ballots to be sent

The Morrow County ASC Committee will be sending out ballots for its annual election November 24. The three nominees on this year's ballot are Doug Drake, Roger Morter and Craig Miles. Those of legal voting age and have an interest in a farm as owner, operator, tenant or sharecropper are qualified to vote.

The ASC farmer-committee system has been a key factor in the successful administration of farm programs. The secretary of agriculture considers the committee member very important to the success of the farm programs Congress has provided. The committee members assist in carrying out programs assigned to the ASC committees.

The county committee is responsible for the overall direction of the operations, the County ASCS Office, and the administration of the various farm programs at the county level.

Ballots are due back in the ASCS office by December 4. Those who have not received a ballot may pick it up in the ASCS office at 430 Heppner/Lexington Hwy.
