--The Ione JV girls squad was chased to the wire by the Riverside Freshmen but came away with a 21-19 win in a game held in Ione on January 18. Ione pressed the entire game and went to a spread offense in the first quarter to make the game a low-scoring, defensive contest.

The Cardinals led the entire game, mostly due to the Pirates inability to break their press. But while the Cards were able to create the turnovers, they found that Riverside was able to defend their fast break all too well. Riverside's 5'11" Mandy Marquette frustrated the young Cardinals by clogging the inside. This prompted coach Tom Bedortha to send his team into a "spread offense." The rules require the team that is behind to respond to a spread offense by coming out of their zone and playing man-to-man. Man-to-man was just what the Cards wanted because it allowed them to drive the key and get the inside shots.

Ione led 5-2 at the end of the first quarter and edged to a 10-5 halftime advantage. The Cardinals found themselves in foul trouble in the third quarter with three starters benched. Each team scored four points in that quarter to put the score at 14-9. Riverside pulled together and made one last run at the Cards in the fourth quarter, pulling to within two points before time ran out.

Danielle Stefani was high point for Ione with ten points. Mandy Marquette of Riverside was the game-high point, making 13 of her team's 19 points. The Lady Cardinals out-rebounded the Pirates 32-23 with Danielle Stefani pulling down 12 and Kristine Bedortha adding seven. Crystal Minster led the Cards in steals with seven.

Coach Tom Bedortha was happy with the outcome, especially since the Pirates prevailed in their last meeting, 41-40. He credited freshman Danielle Stefani with an outstanding game, collecting 10 points and 12 rebounds. He also said Crystal Minster and Wendy Anderson made important contributions to the win, Minster on offense and Anderson on defense. Bedortha was satisfied with his team's defensive efforts. "Our defense holds us together," he says.

The next contest for the junior varsity is their third meeting with Sherman County this season. Game one went to Ione, 33-30. Game two went to Sherman County 32-30. Game three is Thursday, Jan. 25 at home.

This Is A Newspaper Ad About Newspaper Ads.

It's an advertisement for advertisements. This newspaper ad will tell you how effective newspaper ads can be for your business. Because every week, over 92 percent of Oregon's adults go one-on-one with a newspaper!

Just exactly like you're doing right now. At this very moment, you're reading and enjoying while you get information and entertainment. Your concentration and attention are focused on this ad. And this ad alone.

That concentration, very simply, is the power of newspaper. Radio and television wish they could command that kind of attention from their listeners. When people turn to their paper, they turn there with interest. Which means that's where your advertising message needs to be. With all the choices available, it's difficult deciding how best to advertise your business. But everything becomes a little simpler when you remember one rule...

YOU GOTTA BE IN THE PAPER.
