RHS parents plan graduation party

A Boardman parent task-force working toward "Operation Graduation" met Monday, April 2, to provide the Riverside Senior Class of 1990 a safe, alcohol and drug-free celebration. The celebration will include a senior party at the Tri City Athletic Court Club on Saturday, May 26.

"We have joined parents all across the United States who are concerned about the tragic number of teens who never live to see the sunrise after their commencement. "Operation Graduation" is intended to assure a wonderful, fun-filled

event that the seniors of 1990 will remember forever," said a spokesperson.

The committee is soliciting donations from anyone who is interested in being part of this endeavor. "Monetary contributions and any items suitable for door prizes will be most welcome," said a committee member, "and should be sent to "Operation Graduation," P.O. Box 140, Boardman, 97818.

The next meeting is scheduled for Monday, April 23, at the Dodge City Diamond Spur room at 7 p.m.

Pirates baseball takes Rockets, Mustangs

By Mikka Evans

The Riverside Pirates had another victorious week, beating both the Pilot Rock Rockets and the Heppner Mustangs on their turfs.

The Pirates beat the Rockets, 8-2, on April 10. Riverside had very little problem getting by Pilot Rock pit-

cher, Tucker Hodgen, while their own pitchers, Bill Byrd and Scott Timms, worked hard to allow only two hits during the entire game.

Coach Kevan Pratt said "this was one of the best games we've played, especially in pitching and defense."

To finish out the week, Riverside met up with their cross-county rival,

the Heppner Mustangs, and one of the toughest pitchers in the league, Russell Britt. The Pirates won both games, 2-1 and 11-1.

"The key again was the pitching and the defense," said coach Pratt. At the mound for the Pirates were Scott Timms in the first game and Matt Andreason in the second game.

CJH students see slide show

Columbia Junior High "Talented and Gifted" students took a tour of Europe when Angelas Smythe of Boardman presented a program of slides to the group March 30.

Angela narrated a 45-minute program of her family's tour of twelve European countries last October. Both she and her brother Jason told of experiences crossing into East Germany, the variety of food and lodging, travel, and the many peoples of the countries. Twenty-two students thoroughly enjoyed the presentation and asked various questions following the time spent with Angela. Coordinator for the group is Sally Edinger.

Co-op selects reps to attend camps

By Marty Suter

Umatilla Electric Cooperative Association selected Amy Gantenbein and Randy Beard as their representatives to attend co-op camps in Washington, D.C. and Nevada this summer.

Gantenbein, a junior, will represent Umatilla Co-op in Washington, D.C. She has attended the Umatilla Electric Co-op camp in Wells, Nevada. She will learn about several of the cooperatives and will tour the capital city.

Junior Randy Beard will attend the camp in Nevada as the Umatilla Co-op alternate.

If one of the representatives for the Umatilla Electric Cooperative Association cannot attend their camp, sophomore Laurel Glenn will be the alternate to take that place.

Last year's Nevada representative, Mindy Nix, found that she learned alot, yet still had fun. "We learned about electrification, but also about things that affect our everyday lives," said Nix.

Chamber Chatter

By Claudia Hughes, Chamber Manager

Volunteers...where would we be without them? They're the backbone of our community and many other communities. They're found in many places. Sometimes you don't see or hear them, but if you open your eyes, you know they've been present. Sometimes they get discouraged and frustrated but they come through. Nothing much happens without them. They're in every organization and they know how to raise their hands. They're firemen, parents, 4-H leaders, sellers of roses, Little League coaches, cooks, Garden club members, business owners, ambulance drivers, fair superintendents, St. Patrick's committee members, church auxiliary members, chamber members, and the list goes on and on.

Next week has been designated National Volunteer Week. (Secretary's Day also happens to fall in the middle of the week.) In recognition of these two events, Chamber members are encouraged to bring a volunteer or their secretary to lunch Tuesday, April 24. They will be treated to a tasty lunch and a tour of "down under"...Australia by Cliff Green. Maybe I should rephrase that. Cliff will provide the tour; the Elks, the tasty lunch. See you there.

Thought for the week: "The fine line of cement that holds together the bricks in a wall is scarcely discernible, but without it there would be no wall."
