Daly resigns from fair board

Charlie Daly, who has been involved with the Morrow County Fair and Rodeo for the past 32 years, has resigned from the Fair Board, effective June 1.

Daly's resignation is in the wake of a proposed renovation of the fairgrounds. The county has advertised for bids on a "comprehensive development plan for the fairgrounds and athletic fields."

"It's a dangerous precedent when county officials start running the fair board," said Daly. "There are state statutes to keep county politics out of the fairs."

The county's invitation to bid on a development plan would include "possible location of future buildings, roads, restrooms, concession stands, parking and amusements associated with fair activities."

"In addition," says the county notice, "portions of the fair grounds are dedicated to athletic events such as football, baseball, track and field

and rodeo activities. Reconfiguration of these existing areas will be necessary along with the supporting utilities. The Development Plan will include five construction phases along with estimated cost for each phase." Bids were to be closed May 9.

But, Daly says, "there's no way they could ever finance that." He maintains the master plan is a waste of taxpayers' money.

Judge Louis Carlson, however, says that the county needs a master plan in response to a request from the public to renovate the sports area, including the lighting system used primarily for football games. He says that the county is not interested in managing the fairgrounds.

The fair board has received an estimate of \$20,000 to install new lights for the football field and shorten the light poles from 80 to 54 feet.

Daly says that he feels that people already employed by the county have enough expertise to develop a plan for fairgrounds improvements and that money for the plan would be better spent on the lighting system.

Concerning his resignation from the board, Daly said that because of his busy schedule he doesn't feel he could dedicate the time required to hold a board position.

Daly, 60, has been on the board since 1978. He began his involvement on the fair committee in 1958. During his tenure Daly says the board has installed fences, new grandstands and a metal shed. Daly also served as the fair director for the State Fairs Association.

"It's time for someone new to come on," he said. "I wish them all good luck."

Other fair board members are Richard Ladd, Merlyn Robinson, Harold Peck and Rob Meacham.

PMH Foundation awards scholarships

The Pioneer Memorial Hospital Foundation has awarded the Earl and Hazel Wilson Scholarships to Linda Morter, Ione and Carri Brownfield, Dean Munkers and Kelly McLaughlin, all of Heppner.

The scholarships are awarded to deserving students interested in the health care field who have lived in Morrow County at least one year. This year the students each received \$300.

Continuing scholarships of \$250 each have been awarded to Christy Stroeber, Andrea Ball and Jennifer Hughes. Students receiving these scholarships must have received foundation scholarships in years past.

'Caught' to show June 3

"Caught," the newest Billy Graham film, will be shown on Sunday, June 3, at 7 p.m. at the Heppner High School cafeteria. The true-to-life dramatic story portrays the power of one person caring for another.

In the film, an 18-year-old American, Tim Devon, goes to Amsterdam in search of the father he has never known. His mother reluctantly admits he was born illegitimately out of a college romance between her and a Dutch exchange student.

In this city, far from his home, he slips into the self-destructive drug culture, but is encountered by a single, caring person—a person of deep faith. The person, Rajam Prasad, found a way to share Christ's message of love, hope and forgiveness in a way that Tim could not ignore.

Billy Graham said, "Caught" is certainly the most outstanding film yet produced by World Wide Pictures."

Admission is free, and the public is invited to attend. Babysitting for children ages five and under will be provided free of charge at Christian Life Center, located at 535 W. Morgan St.

Fishing derby June 3 at Willow Creek Reservoir

Casting Contest which will take place along with the fishing derby.

All kids that participate will receive a multi-colored fishing derby souvenir patch compliments of the American Fishing Tackle Manufacturers Association and its sponsoring members. Kids will also receive a packet with hooks and bait and several fishing related games. Local fishing experts will be on hand to offer fishing tips.

"The Heppner Lions Club and the U.S. Forest Service have a strong commitment to America's youth," said a spokesperson, "and are proud to celebrate National Fishing Week by sponsoring an unforgettable day of fishing for your kids."

For more information contact the Heppner Ranger District at 676-9187 or Becky Nourse at 676-9859.

The kids' fishing derby is just a few days away. Many kids are already registered for the fishing derby at Willow Creek Reservoir on June 3 from 1-5 p.m. Held in conjunction with National Fishing Week and sponsored by the U.S. Forest Service and the Heppner Lions Club,

the derby promises to be a memorable time for the young and old.

Youngsters 13 years old and under can preregister at the Heppner Grade School or Junior High, the Heppner Ranger District office or the Gazette Times. Kids can also register on the day of the derby. All children must be accompanied by a parent or guardian, and should bring their own fishing poles and tackle.

Several prizes will be presented for fish caught in many categories. An extra special event is the Zebco
