## Letters to the Editor

### Donate blood June 13

To the Editor:  
Please take the time to present this to our fellow Morrow County residents.

The summer is near and school is out, it is time for fun in the sun. Unfortunately it is also a time when automobile and farming accidents nearly double. The American Red Cross needs blood and lots of it. The Bloodmobile will be here on Wednesday June 13, from 1 to 5:30 p.m. Please take the time to give the gift of your blood.

Blood cannot be manufactured or imported from a foreign country. It can only come from you. The availability of a unit of blood can often determine the outcome of someone's surgery or a car accident. Blood is something that we cannot wait for when we need it, it simply has to be there. It may slightly hurt your arm for a moment but if it's not there for someone it will hurt them more.

The Red Cross will also be drawing blood for those who wish to be a part of the National Bone Marrow network. Bone Marrow is used to help treat victims of blood related diseases. Of the thousands who could benefit from a marrow transplant, nearly 70 percent cannot find a suitable match within their families. These patients need to find unrelated donors—people willing to come to the assistance of someone they likely will never meet. As the pool of potential marrow donors increases, so do the odds of survival for the thousands of patients in need. There is about a one in 20,000

chance of finding a matching donor. Clearly, hundreds of lives could be saved if more people added their names to the list of potential marrow donors.

The requirements for bone marrow donors are few. They must be between the ages of 18 and 55. Able to pass a physical examination and not have any heart or lung problems. At our first step level here in Heppner, candidates will simply donate a small tube of blood. These special tubes will be transported directly to the University Hospital in Portland. They will test the blood for your bone marrow type (HLA-Human Leukocyte Antigen). That information will be added to the list of other potential donors across the country. When a person in need of transplant matches your basic HLA, you (the donor) will be contacted for more testing in an attempt to find an exact match. Please consider being a bone marrow donor. You could even save the life of a fellow Morrow County resident.

So on the afternoon of Wednesday, June 13, take a few minutes and come down to the Heppner Elks Lodge. You'll feel good about helping others and we'll give you a cookie, juice and discount coupon for Kate's Pizza and Murray's Drug. If you have any questions about being a donor give me a call.

Sincerely,  
(s) Lori E. Straley

He joins sisters, Meghan Kae, 5, and Madison Shay, 2 at home.

## 4-H News

### Two-Trackers

The Two-Trackers Memorial Day Competitive Trail Ride was a great success, even though it was a damp day.

There were 18 competitors with five trail riders.

First prize in horsemanship went to Josie Evans who won a nylon halter. There was a tie for high point between Chet Wilkins and Kimberly Bedortha. Kimberly won the coin toss and received a set of braided reins made by Terry Harper. Chet received a nylon halter.

The ride was followed by a barbecue.

The Two-Trackers English riding program will continue to meet Sunday afternoons at 3 p.m. at the Kirk Robinson feedlot about 1 1/2 miles past the fairgrounds.

### Ewes R Us

#### By Jenny Krein, Reporter

On May 1 members of the Ewes R Us club interested in judging attended a meeting at the fairgrounds 4-H annex. Greg Barren told members how to judge. Members judged animals from a slide show he'd prepared.

On May 6, club members traveled to Irrigon to attend a judging clinic. The first stop was at Lois Richards house, where 4-Hers learned about market and breeding hogs. Then members traveled to Kenn Evans house to learn how to judge lambs better. Those attending were also told how to give oral reasons and ways to practice for oral reasons. Finally members went to the Allison ranch where they judged steers and heifers.

On May 12 at the Ewes R. Us Sheep club members washed and waxed trucks for the Britt Logging company. The club made \$100. It was cold but fun.

Flight C: low gross-Lynnea Sargent; low net-Melba Miller; long drive-Melba Miller.

Upcoming events: June 12, 18-hole invitational and June 19, Hole Invitational.

## Topic club hears of Mexican family life

By Anne Morter

The Members of the Lone Women's Topic Club were luncheon guests at the Hermiston home of Helen Proudfoot on May 23 with Margaret Troedsonson acting as co-hostess. Other guests were Martha Barak and Anne Doherty of Hermiston.

Anne Doherty presented a very interesting program on the "Middle Class Family of Mexico." She and

her immediate family have spent quite a bit of time with a middle class family in Mexico. She noted that the father has complete control of the family and can do anything he wishes. The sons are brought up in this tradition, even expecting the women to wait on them and pick up their clothes. She said women and girls are considered to be second class citizens there.
