

## Local growers display in crop exhibit

The Morrow County Fair Commercial Crops exhibit is a great opportunity for county growers to display and promote their products. Exhibit guidelines include: half a

bushel of clean wheat; ten pounds of potatoes, or three bales of hay. For specifics see the 1990 Morrow County Premium Book, Department V, Commercial Crops, Page 29.

In 1989 Morrow County harvested 14,000 acres of potatoes. The value at the farm of over \$27 million, made Morrow County number one in potato production in Oregon.

Morrow County harvested 6,720,000 bushels of wheat from 104,000 acres of land in 1989. Our county is two in wheat production in the state. Umatilla County is first place.

In addition, Morrow County was third in field corn production, and first in grape production. County barley production was fifth in the state even with a sizable number of barley base acres lost to the Conservation Reserve Program. The county is a major producer of alfalfa (22,000 acres), apples (850 acres), sweet corn (2800 acres), popcorn and asparagus.

Let's make this year's Commercial Crop Exhibit the best ever.

## Wranglers breakfast Sunday morning

A country-style breakfast of ham and eggs, hashbrowns, pancakes, coffee and milk will be served by the Wranglers Riding Club on Sunday, August 19, from 7 to 10 a.m.

Prices for the breakfast, which will be held at the fairgrounds, are \$3 for adults and \$2 for children.

Anyone attending the breakfast only will pay the fair gate admission

charge, but will be reimbursed on their way out of the fairgrounds before the fair opens at 10 a.m.

Janet Greenup is in charge of the breakfast.

Come on out to the Morrow County Fair and treat the family to Sunday morning breakfast with the Wranglers.

## New special interest displays new to fair

Part of the fair's new look this year will be small outdoor garden scenes to be arranged in lattice-framed covered booths 8 feet wide by 7 feet deep along the south outside wall of the big barn. They are to contain live and/or cut plant material, forming a garden or patio scene.

Any organization, family or individual is eligible to prepare this

display. Each exhibitor preparing the display will receive \$10. Premiums will be first-\$15, second-\$10 and third-\$5.

The displays will be judged on general appearance, originality, quality of material, color and design.

Reservations should be made with the floral superintendents (676-9721 or 676-9435 or at the fair office 676-9474.

## Food galore at the fair

1990 Morrow County Fair and Rodeo goers certainly won't starve during the five-day event.

Besides the Snack Shack, manned by 4-H and the Elks, the breakfast sponsored by the Wranglers on Sunday, breakfast by the Masons on Saturday, and the Episcopal barbecue on Saturday evening, fair booths will offer international fare, including:
