

### New students should pre-register

All students new to the area that will be at least five years old prior to September 1, 1990, should register for school before opening day, Tuesday, September 4.

The Elementary School office is open between the hours of 8 a.m. and 3 p.m., Monday through Friday. Class lists will be posted on Wednesday, August 15.

### Guest speaker at Christian Life Center

Sharon Benell will be a guest speaker August 12 at both services, 10:30 a.m. and 6 p.m. of the Christian Life Center in Heppner. The church is located at 535 West Morgan.

Sharon and her husband, Gary, are Iowa farmers near Hedrick, Iowa, where they have farmed for a quarter of a century. They have three grown children and six grandchildren and have raised 10 foster children.

Active in the local church all of their married lives, Sharon was a Sunday School teacher, youth leader, choir director and church officer. In the spring of 1975 she made a fresh commitment to the Lord,

purposing to flow and go where the Lord would lead her. As a result, she has ministered from coast to coast in the United States, as well as Central America, Scotland, Taiwan, the Philippines, Hong Kong and Hawaii.

"Sharon is an anointed singer, a very able minister of the world. She moves in exhorting, encouraging reconciling and restoring people to God through our Father Lord, Jesus Christ," said a church spokesperson.

Mrs. Benell will also be ministering at a meeting Aug. 13 at 9 a.m. at the Heppner Christian Missionary Fellowship at 140 W. Baltimore. Everyone is welcome to attend.

### Heppner water main bursts; Lexington water pump breaks

Photo by Joyce Hughes

Parts of Heppner and the town of Lexington were both out of water Aug. 8.

In Heppner a rock went through a six-inch mainline on Main Street as a city employee was unearthing a water main to install a six-inch T with a valve. The work is in preparation for renovation of the streets and sidewalks on Willow Street from Main to Gale Streets.

Because of the broken main, water service was shut off at 9 a.m. from St. Patrick's Hotel to the Les Schwab store on the east side of Main Street and from Gardner's Men's Wear to First Interstate Bank on the west side and on Willow Street. Water had to be pumped from the hole where the damage occurred before the new valve could be installed. Water service was restored around 3:50 p.m.

Humbert Asphalt of Milton-

Freewater has received the bid for renovation of Willow Street. Dave Winters, city maintenance foreman, said that work is expected to begin the middle of August, with a deadline of Sept. 25.

In Lexington a non-functioning water pump left citizens without water since Monday evening, Aug. 6.

According to Linda Ripple, recorder for the town of Lexington, the problem had not yet been determined, Tuesday afternoon, but a well that the city had been planning to use as a backup was expected to be hooked up later that day. Ripple said that the well had been tested and had met approval, but the city is asking residents to boil water for cooking and drinking as a precautionary measure.

Ripple said the pump was to be pulled to find the root of the problem.

### IUCC plans special church service

By Anne Morter

The Ione United Church of Christ has a busy Sunday planned for August 12. The congregation will start the day with a worship service and church picnic at Cutsforth Park. The service starts at 11 a.m. and the picnic will follow. Members are asked to bring musical instruments and rhythm makers for the service and "toys" (frisbees, baseball equipment, etc.) for after the picnic.

Later that evening at 7:30 p.m. a

special Tiaze service will be held at the Church in Ione. The Tiaze service, which originated in France, is a special prayer and musical service.

The service will be conducted by two musicians who are also seminary students at San Anselmo, Ava Cudsworth and John Grivetti.

"All are welcome for a service of inspiration, prayer, music and contemplation by candlelight," said the Rev. ISA Brown, pastor of the Ione church.

### County Wheat League to sponsor cake contest

The Wheat League cake baking contest at the Morrow County Fair will be sponsored and premiums will be paid by the Morrow County Wheat League. The Gazette-Times received incorrect information for

last week's paper concerning sponsorship of the contest.

The contest, however, will no longer be sponsored by the Oregon Wheat League.

### Boardman hosts fishing derby

Boardman is hosting their third annual walleye fishing derby on the Columbia River. The tournament is a two-person team, catch and release event sanctioned by Mariner Outboards with \$20,000 in prizes based on 250 team entries.

The winner automatically qualifies for the Mariner National Champion-

ship Tournament with a \$50,000 minimum purse. Entry fee is \$100 per team with an 80 percent pay back. Entry deadline is 6 a.m. August 11 at the Boardman Marina Park. For further information write the Boardman Chamber of Commerce, P.O. Box 1, Boardman, OR 97818 or phone 481-3014.
