St. Patrick's Senior Center Bulletin Board

By Jane Rawlins

September is here. School has started and the vacation and summer sorts of things are past so it's time to get with it. This is not to say that many activities here have not continued throughout the summer. Our office has been open week days from 9 a.m. to 5 p.m. We have served a meal each Wednesday noon. The Dollaride car has continued to run, the quilters have quilted each Monday, and each Tuesday and Thursday an exercise group has met. In addition, we've had some special events like Senator Hatfield and the Chamber of Commerce as guests one Wednesday, Steve Pettyjohn meeting with our board to outline ways to improve the acoustics in the dining room and just last week baking and serving potatoes for the Cycle III dinner. Now we can look forward to some new additions and projects.

The Sunday potlucks will open the season with a picnic supper at the Blake Ranch September 16 at 4 p.m. The bus will leave the center at 2 p.m. We may play croquet, horse shoes, golf chipping or "the Blake Ranch challenge" (a surprise after we arrive.) Bring either a salad, dessert or a contribution toward the meat.

The exercise class, which lost its physical therapist supervisor shortly after the group was organized, now has the tape he recommended when he left. This tape "Swing Into Shape," made by physical therapists at Lutheran Hospital, LaCrosse, Wisconsin, has three levels of non-aerobic exercise. Grace Drake has donated a portable TV and the board has purchased a VCR (thanks to a donation by the Quilters) so the class can use it for its routines. The group leader is Velma Wight. All seniors are welcome to participate.

The Quilters and Company has announced that this fall they will be learning how to make a quilt with the option to make blocks, smaller quilts or wall hangings using these quilt construction techniques. These will be individual projects.

The Center board recently purchased a telephone answering machine from a grant by United Way. Now, after three rings, a message may be left for us at any hour on any day.

This week: Wednesday VFW at 7:30 p.m.; Sunday potluck at the Blake Ranch, office staff meeting at 10:30 a.m.

Next week: Quilters group, Monday, 1 to 4 p.m.; Tuesday and Thursday exercise group at 10 a.m.; Wednesday noon dinner menu: sweet 'n sour pork with rice, brussels sprouts, applesauce, bread and cookies. Helpers with serving will come from the Catholic church.

We want to express appreciation for all the help we had for doing the potato bake for Cycle III. We had a blast.

Ione volleyball Varsity loses JV's win

By Anne Morter

The Ione High School volleyball teams had mixed success playing Culver in their season opening matches on Friday, September 7 at Ione. The varsity fell to the Bulldogs in two games, 15-8, 15-11 while the JV team used three games to pull out a

victory.

The varsity suffered their first league loss in two years at the hands of a tough Culver squad. Culver played very well while the inexperienced Cards struggled with their serving, a key factor, according to coach Jocelyn Jones. "I was disappointed in our serving," said Jones. "The scores were close and improved serving would have made them much closer."

The Lady Cardinals started the match playing tentatively on the serve-receive which their coach expected, due to their "greenness." A bright spot for the Cards was a marked improvement in their serve-receive as the match progressed.

After the match, coach Jones told the girls that while they had dropped a league game, it was to their advantage that Culver was on the other side of the league. She figures the teams may meet again at the district tournament by which time the team should be used to playing together and be more experienced.

The JV team chalked up a win, 15-11, 12-15, 15-1. Coach Jones was pleased with their efforts, saying they played a "heads up" game of volleyball. She also said that their serving improved in that match as they gained confidence.

The Cardinals next games are at the Wahtonka tournament in The Dalles to be played Saturday, Sept. 15.

SAPPHIRE

Birthstone for month of September

It was the royal gem to protect kings and potentates against harm and envy. Tradition tells us that it was on a sapphire that the Ten Commandments were engraved. The Persians believed that the earth rested on a great sapphire, the color of which was reflected to give the sky its blue color.

Today there are many choices of sapphires. Come see our selection today.
