## Southern gospel group to sing

The Lewis family will be presenting a concert of southern Gospel music at Christian Life Center in Heppner on Thursday, September 20 at 7 p.m.

The Lewis family is quickly becoming one of the top family singing groups in the nation. They have presented joint concerts with the Blackwood Brothers, the Kingsmen and the Speers.

The four Lewis children join their parents as they sing. The oldest son, Christopher, also plays the banjo and

entertains both children and adults as he does ventriloquism with his puppet, Rusty.

The Lewis family recently travelled to Guam where they sang for the service men. They have been asked to sing for the service men in Korea as well. They will soon be taking their radio program, "Campmeeting with the Leon Lewis Family" to Africa through Radio East Africa.

The public is invited to attend this concert. Admission is free, and nursery care will be provided.

## George Waterland defends WCCC Cross Country title

A nearly-full field of 35 people participated in the annual cross-country tournament held Sunday, Sept. 15 at the Willow Creek Country Club.

The new course layout was a challenge to everyone as the golfers found it much more difficult to score than they did on the normal course. George Waterland defended last year's title by defeating John Edmondson on the seventh hole of a sudden-death playoff.

Results are as follows: par was 68. Gross: first-George Waterland, 78; second-John Edmondson, 78;

third-Dorian Forrar, 83; fourth-Jay Straley, 88; fifth-Dave Gunderson, 89; sixth-Ed Gunderson, 91.

Net: first-Ron Bowman, 66; second-Jeff Orr, 68; third-Frank Pearson, 71; fourth-Tim Adams, 72; fifth-Frank Bailey, 72; sixth-Ray Reid, 74.

K.P. on hole #1-George Waterland; #4 or 10-Jeff Orr; #13-Mike Doherty and #15-Les Paustian.

Long drive-Ron Bowman; least putts (25)-John Edmondson; high score-Mike Smith, 110.

## Museum seeks board member

After eight and one half years of serving on the Museum Board, Alma Green has resigned. During her term of office, significant changes were made in the operation of the widely acclaimed museum. A full time director of the museum is now on line and a computerized inventory is in the making. Under Alma's role as chairperson of the Morrow County Museum, numerous exchanges of arts and crafts have been enjoyed by

those who spend time in the many rooms of the museum.

Long time residents of Morrow County will remember that Alma was executive secretary to the Morrow County Court for the better part of her professional career.

Morrow County is inviting those interested in serving on the Museum Board to submit their name at the courthouse within a two-week period, Judge Carlson said.

## American Legion Auxiliary meet

A joint meeting of the Heppner American Legion Post #87 and Auxiliary was held Monday evening Sept. 17 at the Legion Hall.

will be held at the Legion Hall on Friday, Sept. 28, from 4 p.m. to 8 a.m. Sept. 29. Prices will be \$3.50 for adults and \$2.50 for children 10 and under.

## High school students to meet with college reps

Students from Ione and Heppner High Schools will go to Riverside High School for a meeting with representatives of Oregon's state colleges and universities on September 27 at 1 p.m.

This program supplements the guidance program of the schools by giving students first hand information about program of study offerings, admission requirements, student support services, housing, costs to attend, financial aid, scholarships and other information important to post-high school planning.

Parents are also encouraged to attend the program which will feature individual information sessions with representatives from Eastern Oregon

State College, Western Oregon State College, Oregon Institute of Technology, Oregon State University, Portland State University, Southern Oregon State College and the University of Oregon.

The Oregon State System of Higher Education high school visitation program reaches almost all public and private high schools in Oregon. The program's goal is to stimulate good post-high school planning and decision-making by students and to provide them with an introduction to the educational and career opportunities available through Oregon's state colleges and universities.
