Local cancer support group in the works

To the Editor:
It has been brought to my attention that there is a great need in our community for a cancer support group. I have stepped out in faith and am working on getting one started. I have information from the America Cancer Society, a VCR and cassette tapes and a whole lot of hope. Now I need volunteers to let me know what cancer patients and family

members need and want and also someone to help me get things started. We already have November 19, Mon, at 7 p.m. set for our first meeting and All Saints' Episcopal Church has donated the use of their parish hall so we are well on our way. If you can help in any way please call me at 676-5238.

Would any of your readers know the whereabouts and married name of Elise Barnfiend? I would very much like to contact her and renew an old friendship.

Shetlands and owned and operated the Morgan store and post office. Elise was a student at Ione, graduating in 1952 or 1953. I would appreciate any information.
