

### Cancer support group to meet

The first cancer support group meeting was a success, according to organizer Merilee McDowell. "Cancer patients met and shared their strength and hope," said McDowell. "They talked about their journey and gave some hints on better ways to help those who have just found out they have cancer. We mainly found out that we are a group of people who care and want to help those who are dealing with cancer anyway we can."

The next meeting will be held Mon., Dec. 3 at 7 p.m. at the Episcopal Parish hall. The first part of a movie, "Fight for Your Life," by Dr. Bernie Siegel, who works with cancer patients, will be featured.

For more information contact Merilee, 676-5238.
