

Hands on Science registration begins

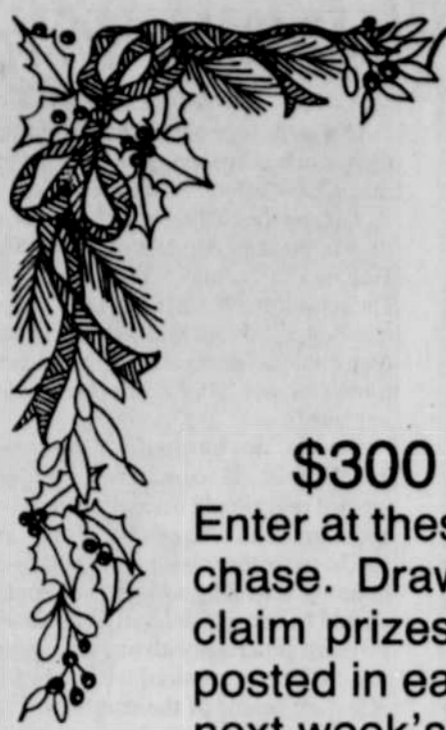

Hands on Science winter class registration has begun. All new classes start the week of January 7 in Heppner.

Kindergarten-first grade class will meet Mondays at 2:30 p.m. in the Heppner Elementary school library. The class is entitled "Merrily We Roll Along". The children will reinvent the wheel and the many activities that can be done with wheels for work and pleasure.

Grades two-three class will meet Tuesdays at 3 p.m. in the junior high cafeteria. This class is entitled "Toymaker". The children will construct simple toys and games each week. They will make use of readily available materials to explore principles of simple machines.

Grades four-six meets Tuesdays at 3:30 p.m. in the junior high cafeteria. This class is entitled "Bright Ideas". Students will become inventors. They will make a motor and a flashlight. They will also experiment with gravity and copper plating.

Registration fee is \$42. There are no prerequisites for participation in the classes. Scholarships and transportation reimbursements are available from the Morrow County Education Association, the Heppner Masonic Lodge and grant funds. Contact Sarah Carlson 422-7245 for more information. Return registration forms and fees to the Heppner Elementary School office by Wednesday, December 12.
