L-R: Tiffany Munkers and Tina Kemp do a demonstration

Gilliam, Wheeler and Morrow Counties will hold the annual Presentation Field Day at Morrow County Fairgrounds on Tuesday, March 19, from 9:30 a.m. to 2 p.m. All 4-H members, parents, adult and teen leaders are invited to "Speakeasy".

"Single Sentence" speaking activities will be introduced by Cindy Osterlund, 4-H leader and presentations promoter. Cindy will share "ABC's of Presentations". Viewing memorable presentations from 1990 county fairs will demonstrate successful ways to incorporate presentation fundamentals.

The popular "On the Spot"

presentations will be on the afternoon agenda. New topics and prop kits will make this more fun than ever.

For anyone currently working on a presentation, there will be an opportunity for a one-on-one critique with a judge. There will also be a short session of enrichment ideas for parents, adult and teen leaders.

There is no charge to attend. Certificates of participation will be awarded to those attending. Beverages will be provided but participants should bring a sack lunch.

Correction

The last paragraph of a story in the Feb. 27 Gazette-Times entitled "Ed Hiemstra honored for prestigious sports career" was in error. It should have read,

Theresa's children are Trisha, who was a starter on her basketball team at Hanford High and Columbia Basin College. Now living in Walla Walla, her husband is a medic in Riyadh, Saudi, Arabia; and Nicole, who is a sophomore at Hanford. She was a starter on a soccer team which won a state title. This year she is a starter on a district championship basketball team.
