

Johnston, Tucker named 'I Dare You' recipients

Kim Johnston and Nina Tucker

Kim Johnston and Nina Tucker have been awarded the national I Dare You Leadership Award for Heppner High School, in "recognition of their personal integrity, balanced living and potential for leadership," said an HHS spokesperson. Johnston is the daughter of Paul and Debby Sumner of Heppner. Tucker is the daughter of Brok and Janet Tucker of Lexington.

The I Dare You Leadership Award is made available each year by the American Youth Foundation in cooperation with principals, headmasters and 4-H county agents across the country. The award takes its name from the book "I Dare You", written by Mr. Danforth, in which he commends the balanced life of mental, physical, social and spiritual development as the

backbone of leadership. "Both girls exemplify the requirements of the award," said the spokesperson. Both are members of the National Honor Society, active in student government and the athletic program at Heppner High School. Tucker is the vice president of the student body and Johnston is the junior class president. The two girls are active in the community as well.

In addition to a certificate of recognition, Johnston and Tucker will each receive a copy of Danforth's inspirational book "I Dare You" and a scholarship opportunity to attend the American Youth Foundation's National Leadership Conference in Michigan or Camp Merrowista in New Hampshire. Over 8,000 schools and 4-H programs participate in the I Dare You Leadership Award each year.

Hands on Science registration begins

Registration has begun for the spring session of Hands on Science after school classes. The theme of the 1990-91 classes has been energy. This spring, the classes will center on solar energy.

The classes being offered for kindergartners and first-graders in this eight week session are "Bubbles to Rainbows". In this class, the students will find out how a sundial works, make sun print pictures, and find rainbows in bubbles.

The second and third grade class is called "Hot Stuff". The students will find out how grapes become raisins, make a simple dehydrator and solar water heater, and find out what sunlight really is.

The fourth through sixth grade class, "Out of This World", will

have the students exploring prisms, crystals, and diffraction paper, as well as distilling water with a solar cooker, and measuring the earth's speed using the sun.

All children are welcome in the Hands on Science program. There are no prerequisites for participation in the program. The classes cost \$42 for an eight week session. If tuition is a problem, scholarships are available from the Heppner Masons, the Morrow County Education Association, and Self Sufficiency Grant funds. Contact the Hands on Science coordinator, Sarah Carlson, at the Heppner Elementary School for more information about the classes and scholarships available. Registration closes March 8, and classes will begin the week of April 1.

Arlington Rodeo queen tryouts March 17

Arlington Rodeo Queen tryouts and Playday will be Sunday, March 17, at 1 p.m. at the Arlington Saddle Club Arena one mile south of Arlington on Highway 19.

To try out for queen, girls must be

age 16 by May 1, have a horse and transportation, and be available to make recommended appearances in the area. Girls from any county are encouraged to try out.

Playday follows selection of the

queen. There will be horse and rider games as well as show classes. Everyone is welcome and encouraged to join in the fun.

For more information call 454-2887 or 454-2858.
