The course will focus on self defense skills and students will benefit in the areas of self-esteem and self-control.

Goering to speak

Lois Goering, OSU Extension home economics program leader, will be guest speaker at the District VII, Oregon Extension Homemakers

San Soo has a history dating back over 2,000 years and is considered by many martial arts historians as the "grandfather" of most modern systems. "While the physical side of the course is important for health and self-defense purposes," explained Sagely, "the character building aspects of studying a martial art are equally as important as outcome."

Council meeting, April 4 at St. Patrick's center in Heppner.

Coffee and registration will be begin at 9:30 a.m. A salad luncheon will be served at a cost of \$5. There
