

Heppner Livestock Judging teams fare well at Umatilla

The Heppner FFA Livestock Judging Greenhand team, consisting of freshmen Jenny Krein, Rondi Robinson, Brent Wright, Char Coe and Kelsie Evans, finished first in the Umatilla County Fair FFA Livestock Judging Contest, August 7. The advanced team members, juniors Jennie Ashbeck and Jason Hanna, and sophomore Andy Ashbeck, finished 6th in the

competition.

Jenny Krein was high individual point winner in greenhand competition; Rondi Robinson was second high; Brent Wright fourth; Char Coe sixth; and Kelsie Evans was 11th.

The teams had to judge two classes of beef, sheep and swine. Each class consisted of four animals.

The next contest will be held at the Morrow County Fair on August 14.

Garden Bugs to have fair booth

The Lexington Garden Bugs met August 6 at the home of Marie Steagall. Regular business included appointing members to water Friendship Park during August.

A community booth at the Morrow County fair was planned. Members set up the booth Monday Aug. 12.

The yard-of-the-month honors went to Bill and Debbie Sheirbon. Although they don't have a lot of flowers, they usually have something

blooming. "The lawn always looks nice and the parking along the street is always mowed and looks neat," said a garden club spokesperson.

Hunter safety classes set

A hunter education course will be given August 19, 21, 22, 27, 28 and 29 from 7-9 p.m. (total of 12 hours)

at the Columbia Basin Conference room in Heppner. Students must pass a written examination as well as demonstrate safe practices and procedures to qualify for their hunter's safety card.

The hunter education course is designed to teach young sportsmen to be ethical, responsible and safe hunters. No persons under 18 years of age may hunt wildlife (except on their own land) without successfully completing this course.

"The class isn't just for young people who intend to go hunting," stressed Mycal Osmin, "but for all young people who have guns in their home." Parents are welcome and encouraged to attend with their children. For more information call Mycal Osmin, 676-5582 early evenings.

4-H fashion review Aug. 15

The Thursday, August 15, 7 p.m. Fashion Revue is actually two events. 'My Favorite Outfit,' is a 4-H contest unique to Morrow County, and is open to any 4-H project member. A youth models his or her favorite outfit after a judging interview to discuss reasons the garment is a 'favorite.' The object of the contest is to promote good consumerism, wide wardrobe planning and selection, and coordination.

Youth compose their own narration to be read during the modeling

of their outfit.

Garments constructed by clothing project members will also be modeled at Fashion Revue. There are nine skill levels in the 4-H clothing project. Skill levels are not age related. Members pass through the skill level according to their interest and experiences.

The Fashion Revue, Thursday, August 15, 7:00 p.m., at the outdoor stage is an opportunity to view 4-H clothing projects and recognize the efforts of participants.
