Fillies lose

By Lisa Willman

The Heppner Varsity Fillies, suffered from a case of first game jitters and fell to the Union Bobcats in the first game of the season on Heppner's home court Friday, Sept. 6, losing the first and third matches. The Fillies rallied back for the second match with much more intensity. Both teams utilized three hits to try to upset their opponents. Play went back and forth with neither team getting ahead more than a couple of points. The Fillies good team effort pulled off the win, 15-13.

In the third match the Fillies started off with excellent sets and spikes but couldn't stay consistent losing 6-15.

"We showed a lot of hustle," stated coach Terri Gentry. "We didn't let things go completely, but it was very evident that we had first game jitters. Now we just need to settle down and not get so upset over our mistakes."

Heppner's young C-team didn't fare well against Union, losing the first and third sets, but managed to win the second, 15-11. Coach Bob Sagely's girls worked well together. Tina Chinen led servers with nine in the second game and Alissa Brownfield served for five in the third game.

Chamber Chatter

By Chamber Manager Claudia Hughes

"Good Morning, I hope your Tuesday is off to a beautiful start," were the words of the radio announcer as I pulled out of the driveway to head for Chamber. If I had neighbors within hearing distance, they might have had a comment or two regarding my morning start. It's about the 'country' part of town and country...there was a big black bull wandering around my yard as I walked out the door this a.m. He had obviously enjoyed my raspberry patch and was starting on the snapdragons and geraniums, not to mention what he did to the rail fence as "my greeting" sent him back to the pasture. I'm sure he is having his own beautiful morning back in my yard right this very minute. Driving to work, the day improved as I enjoyed a crisp fall Mor-

row County morning with grazing deer along the way, a soaring eagle, and bright blue sky overhead.

Speaking of Town and Country, the Chamber of Commerce membership wishes to continue cooperatively planning of a Town and Country Day, so our rural community can get together annually. January seems to work best as it doesn't interfere with hunting season or the planning, preparation, and festivities of the Christmas season. A meeting will be called in the immediate future to plan the theme and select speakers. Suggestions are most welcome. This is an event for all of Morrow County. Let's make it the biggest and best ever.
