Letters to the Editor

Public support overwhelming

To the Editor:

The support of the public has been overwhelming to us of the Hardman Community Center. Our annual "Haunted House" for Halloween and Snack Shack had approximately 250 in attendance. Over 25 members worked to set up the staging, participated in the presentation as characters, cooks, servers, ticket sellers and costume sewers, etc. to make it such a tremendous success. All are to be congratulated for the part each played in its success whether as a worker or visitor to the hall for a fun time. Hope the senior citizens enjoyed their outing too.

In time for the annual Memorial Day visitors the two cemeteries for Hardman were groomed, stones repaired and new fencing put around the perimeter of both grounds.

Visitors drop in to visit at the hall and have coffee or punch and cookies from volunteers at the center.

Next comes the annual Old Timers reunion each year on Father's Day with a potluck and visiting for those returning to their roots at the Hardman area.

August brings our annual spaghetti feed and Bingo. Late summer brought three couples to the hall to celebrate their wedding anniversaries. Sept. 1 was the occasion of Harold and Mary Wright's 50th Golden Jubilee anniversary. Next

came Sept. 7 our longevity couple, Marie and Huston Lesley celebrating 72 years with a party and dinner for about 85 well wishers. Finally the 21st of Sept. found John and Mildred Eubanks celebrating their 60 Diamond Jubilee anniversary.

Our annual Oyster and Salmon bake found over 290 people enjoying that dinner on Oct. 5. Next year it is set for Oct. 2, the first Saturday in October with Hardmans Bob Allen as cook.

All proceeds from our fund raisers are used for upkeep and upgrading the old IOOF Hall at Hardman. Recently we installed a gas furnace in the dining hall, upgraded electrical wiring in the kitchen and a new floor and linoleum in the room off the stage.

An appreciation dinner for all who have helped with all the activities and fund raising has been planned for December 9 at noon. By such cooperation of so many members and families helping we are most grateful to see much accomplished.

Plan on coming to the Hardman Community Center for a fun time at our activities. The old Hall has stood since 1871 and has many memories for many people. Come join us for some of the fun activities in 1992 and thanks to all for your work and support.

Hardman Community Center

Chamber Chatter

By Claudia Hughes, Chamber Manager

Have you read the book "Choices?" The question arises "If you have a choice to choose or not to choose, which would you choose?" Even if you "choose not to choose," you've made a choice. Simple choices we make every day

affect the rest of our lives. Choosing not to be involved definitely affects our lives; choosing not to learn about something we don't understand can cause us much pain and stress later on because decisions will be made for us by someone else, not necessarily to our benefit; choosing to greet the day with a gloom and doom attitude will insure a gloomy day for us; choosing to dislike someone will cause us far more stress than if we made our peace with the person; and the list goes on and on!

It's our choice.

* About 30 people chose to attend the "Pass the Popcorn & Cider" evening for Heppner business people. It was an opportunity for them to visit and look at some of the opportunities for Main Street. Many would like to see a similar get-together repeated possibly alternating between businesses after hours. Topics of interest are customer surveys and planning downtown events.

* Are you, your business, or organization interested in the "Buy A Tree" program? Churches, ranchers, businesses, and individuals, or those who wish to remember someone have signed up to buy a tree and have a plaque on the bench at the base of the tree. If you wish to be a part of this new look for Heppner, please contact the Chamber office or send \$80 to Chamber-Buy A Tree Program. Be sure to indicate the way you wish the plaque to read and if you have a preference for location.

* St. Patrick's planning meeting, Tuesday, Nov. 13, 7 p.m. at Kates.

* Next week: John Armstrong from the Small Business Development Center will be presenting a program "The Image You Present To Your Customers." This will be during the regular chamber meeting at noon at the Elks. Choose to join us.
