**Pony Pride Carnival a huge success**

Heppner Elementary Ponies Pride Carnival, held Saturday, Nov. 23, at the Morrow County Fairgrounds grossed over \$1700, according to Parents Club carnival chairman Kay Proctor. The carnival, which featured games and concessions, was termed "the best ever," compared to a previous year's gross of around \$1,400.

Proceeds from the carnival, which is the Parents Club's only fund raiser, usually goes for purchase of equipment or special programs at the Heppner Elemen-

tary school. Proctor says that the club has not made a decision as to their purchases this year but estimates that the club will have over \$900 in net proceeds.

Proctor said that the cake walk alone took in over 800 tickets and several new booths were added this year.

Many volunteers turned out to make the carnival a success. Proctor said that several volunteers from St. Patrick's Senior Center helped in addition to many parents and teachers.
