

Heppner JV teams win games

By Jeremy Maddern

Both JV teams got off to a good start with the JV boys beating the Arlington Honkers Varsity team, 76-42 and the girls JV destroying the Riverside Pirates, 62-19. In the Arlington game the Mustangs were led by Sam Sumner with 17 points and Austin Coiner who had 14 points. The Mustangs played an up-tempo game and proved to be too much for the Arlington Honkers.

The Fillies were led by Kelsie Evans who had 24 points to lead all scorers as they crushed the

Riverside Freshmen.

The boys then played an intersquad match against the Heppner C team. What started as a very close game at halftime with the JV boys leading by only six points, 15-9, turned into a blowout in the second half with the JV team beating the C team 52-26. The young C team gave a valiant effort but the JV team turned out to be too strong. Trent Hughes led the C team with 12 points and Dwayne Dunaway led the JV team with 11 points.

Booster club memberships due

The Heppner Booster Club reminds all members that memberships fees are now due. Yearly dues are \$7 for an individual; \$10 for family or \$50 for lifetime membership.

The \$5 increase is for a spirit fund to be used for tournament-bound teams. In the past boosters have sent snacks with team members for the bus ride, bought shirts and purchased pop for after the games. A complete list of all supporters will be included with everything given to the teams.

Purchases this year from the Booster club has been a trophy for the JV volleyball tournament, volleyball nets, track equipment, flags for dance team, pom poms for cheerleaders, breakfast for the Homecoming dance and four \$200 scholarships.

"The Booster Club not only supports the athletic club, but supports all clubs at the high school," said Shultz. Dues should be mailed to membership chairman Linda Schultz, Rt. 2 Box 2069, Heppner.

The World's Smallest CheckbookSM Can Pay For A Merry Little Christmas.

For the simplest, fastest way to pay, use your First Interstate Gold Bancard.

The World's Smallest Checkbook can change your holiday shopping in a big way.

Because it's the easiest and fastest way to get into your checking account without writing a check.

Here's how it works: when you pay with your Gold Bancard, the funds are automatically deducted from your First Interstate checking

account—in about the same amount of time it takes for a check to clear.

You'll receive a receipt for your purchase so you can keep track of your deductions. You'll also find a detailed record of these deductions on your monthly checking account statement.

The best part is, your First Interstate Gold Bancard works in all the places VISA® does. Like toy stores, discount chains, restaurants—you name it. You can even use it for mail order or telephone purchases.

And because it's still your First Interstate Gold Bancard,

it gives you the convenience of cash access at ATMs throughout the country. It can even be used as a check guarantee.

So for this year's Christmas shopping, use your First Interstate Gold Bancard. If you don't have one, just come to a First Interstate Bank of Oregon branch and ask for the "World's Smallest Checkbook." It'll make a big difference in the way you buy gifts.
