Chamber Chatter
By Claudia Hughes, chamber manager

Do you know we all get a bonus day this year. Possibly it means most to those born February 29 or those waiting to propose, as was the old custom.

"USA Weekend" has the best idea of all. February 29 falls on a Saturday and they invite one and all to turn that day into "Make A Difference Day" in their communities. What special project or effort could each of us do that day that would make a difference in our lives and in those of others? It's our own personal choice what we do this Leap Year, but let's make it a "feel good" day by making a difference. For added incentive "USA Weekend" is sponsoring a contest with \$1,000 going to the "cause" of the winner's choice. Aside from that, what a snowball effect that day could have. The greatest award would be far more than monetary. There are still millions of caring people in America...we just don't hear about them.

St. Patrick's celebration is just one month away. Call Bob Kahl or Steve Rhea to pick-up auction items. Our local motel and bed and breakfast is full so encourage visitors to bring RV's or clean out your guest room. Behind the scenes, golf carts are being decorated, green shamrock and sheep costumes are being created, Irish food and music are being rehearsed, schedules are being finalized and people are practicing for the lamb cook-off. 'Tis hard work but rewarding. Heppner is known far and wide for "A Wee Bit O' Ireland in Oregon."
