Berl and I wish to express our sincere thanks to all our relatives and friends for the cards, flowers, gifts, prayers, visits and telephone calls during my stay in The Dalles hospital.

While recuperating at home for all the food, visits and concern I am receiving.
May God bless each and everyone of you.

E. Drake, my late husband, a memorable event. The Rev. Gerry and Cheryl Etchison and the members of the United Methodist Church; to Bob Isted and the community choir; to the people of the community at large who knew Doug and have spoken to us appreciatively, to those who have given various kinds of support through the years, and those who attended the service of dedication; not least to family who made the service itself very meaningful and many persons behind the scenes. I am thankful for your friendship and grateful beyond words. The window belongs now to those who pass by and those who enter - to any who may see it.

We would like to express our most heartfelt thanks to everybody for everything they have done for our family while George was in surgery, recovering and now recuperating at home.

From the elementary and junior high schools; Dave Gunderson, the cooks and all the staff and especially the students. It's hard to express how we feel for everything you have given of yourselves to this family. Thank you.

To our minister, his wife, and our congregation-that first week home you saved us. And continue to do so with your thoughts and prayers. God bless.

To the businesses that donated their time, money and services, to all our friends and co-workers that helped us. We are overwhelmed by your kindness. To everybody for the cards, letters and calls. They truly help to heal. Thank you. Again, this type of support could only happen in a community such as this and we are proud to be a part of it. Thanks to everyone.
