Letters to the Editor

Recommends Marshall for position

To the Editor:

After serving nine years on the Heppner-Lexington Advisory Committee, I have decided not to run for another term.

Since there is no one running for my position, Position No. 5, I would like to recommend a write in candidate - Rollie Marshall.

Rollie is an active member of

the Heppner community, has children in the Heppner schools and shows a real interest in our school system.

Thank you for the support you have shown me in the past and do consider Rollie Marshall as a write in candidate for Heppner-Lexington Advisory Position No. 5.

Doherty best for kids

To the Editor:

The future of Morrow County education lies in the hands of the voters during March's mail-in election. Please mark your ballot for Bill Doherty, who's experience and knowledge has made Morrow County one of the finest education systems in Oregon. Bill has been on the board for eight years, and knows the school system and understands the budget process.

In every issue, Bill's decisions are based on what is best for kids in their community. With Measure 5 budget cuts facing our schools we can not afford to have inexperienced directing our schools. Don't gamble with your children's future. Our kids deserve to have the finest education we can give them, and to ensure they do, vote for Bill Doherty.
