

## Calcutta to benefit Phegley

A benefit pool tournament for Jim Phegley has been set for Sunday, April 26 at the Heppner Elks Lodge. Pool players may sign up at the Elks club, Cals Cafe or Bucknums.

The calcutta auction will begin at noon with top pool players paired in drawings with play to follow. There will also be a barbecue rib dinner. Price is \$5 each. Donated salads or deserts

Jim Phegley are needed. Families are welcome with VCR entertainment provided for the children.

Jim is home after surgery at OSHU hospital. According to Jim and his wife Karen, the prognosis was very encouraging.

"Besides being a special event, it is great entertainment watching the players compete down to the final championship," said Theo Greenup, coordinator with Joan Smith.

A calcutta auctioned bowling tournament was just completed with good support from junior bowlers and adult bowlers. Greenup credited Walt Foster, bowling alley manager, and the junior bowlers with a successful tournament.

## Heppner High tracksters attack record books

Heppner High School tracksters continue to attack the record book with several outstanding individual and team efforts over the past week, particularly at the Cherry Festival Invitational at The Dalles last Friday night, April 10.

Jenny Krein in her first ever 3,000 meter run demolished the existing school record with an 11:18.2 clocking. This beat the old record set by Cathy Martin in 1985 with an 11:52.4, a betterment of over 34 seconds.

The 3,000 mark by Krein earned her first place and she captured second in the 1500-meter run by lowering her time to a 5:17.1, less than two seconds off the school record and a freshman class record.

Sophomore Leonard Britner increased his high jump mark to 6-5 and a Cherry City meet record for first place. He also placed second in the triple jump.

Kim Umbarger was also a blue-ribbon place finisher winning the girls high hurdles in a personal best of 17.7. She was fifth place in the 300m low hurdles with :55.9.

Kelsie Evans added a second place effort to the girls lowering her time in the 800 m run to 2:38.3.

The sole third place finish was performed by the girls 1600-meter relay team of Evans, Umbarger, Char Coe and Rondi Robinson in a time of 4:39.8 which provided a pleasant surprise finish. This relay team was short two regular members who ran 4:33.7 earlier in the week in a meet at Umatilla.

The boys 1600-meter relay team of Willie DeBoer, T.R.

Riehl, Ryan Munkers and Tony Burt placed fifth. Burt added a fifth place finish in the 300 hurdles and a sixth place in the 400.

The girls 400-meter relay team of Umbarger, Evans, Coe and Krein placed fifth and Kevin Kilkenny completed the scoring for Heppner by placing sixth in the discus.

"The fourth place finish by the girls was the highest team finish in a major meet since 1985," said head coach Dale Conklin. "A possible scoring error indicates we were really third and we were short a couple of people at student conferences that might have earned us even a higher place finish."

Heppner competes this Saturday in the annual Condon Invitational that is scheduled to begin at 11 a.m. This meet may prove to be the biggest challenge of the season as there are some 33 schools scheduled to compete in this event. Tuesday, Heppner was in Maupin for a four-way meet and next Tuesday will travel to Pendleton to compete on the BMCC track.

Team scores: Boys-Gilchrist 102, Ione 74, Wahtonka 62, Condon 50, Wasco County 36, Trout Lake 33, Lyle 27, Sherman County 26, Heppner 24, Stanfield 21, Klickitat 12, Glenwood 12, Wishram 5, Pilot Rock, Wheeler County.

Girls: Klickitat 71, Wahtonka 66, Sherman County 48, Heppner 46, Pilot Rock 45, Trout Lake 43, Lyle 42, Wasco County 31, Culver 24, Umatilla 21, Ione 19, Wheeler County 13, Stanfield 8, Gilchrist 8, Dufur 5, Condon, Glenwood.

## Alissa Brownfield to attend seminar

Alissa Brownfield has been selected by Heppner High School to participate in the 1992 Hugh O'Brien Youth Foundation Oregon Leadership seminar in April. Alissa is the daughter of Nancy Brownfield and Steve Brownfield, Heppner.

The seminar will bring together

200 sophomores from around the state for a four-day seminar. During the weekend, the students will interact with today's government and business leaders in question and answer seminars, designed to encourage the students to better think for themselves.

## Gary Rea earns snowmobile title

By Anne Morter

Gary Rea of Ione was named the Semi-Pro Racer of the Year on the Oregon Snowmobile Racing Circuit at their annual awards banquet held March 21 in Baker City.

Rea, in his second year on the circuit, easily outdistanced the second place finisher, based on race results held in Canyon City, Bend, Tollgate, Mt. Hood, Halfway and West Yellowstone, Montana. The racing season stretches from the beginning of January to the end of March.

Each race consists of two parts, the first done on an oval race track and the second on a "snowcross" trail. The snowcross is set up something like a motocross route. Rea was nearly unbeatable on the oval but admits he struggled on the snowcross portion of the race. But his strength on the oval and consistently racking up a string of second and third place finishes along with an occasional first, he captured the title.

Rea became interested in

snowmobiles some years back. Six years ago, he bought his own machine and has been "hooked ever since." Last year, he attended school at Central Oregon Community College in Bend and also worked at Sweeney's Work and Sport. It was there he met several racers who persuaded him to join their team. He managed to choose some good teachers as his teammates, Mark Jarvis from Bend and Rich Schroll of Vale, finished first and fifth on the pro circuit this year. Connecting with these experienced racers also opened the door for sponsors for Rea. He was sponsored by Sweeney's Work and Sport, Coors Dry Beer, Woody's Traction Control Devices, Advanced Graphics and Signs and Casey's Body Shop.

As for next year, Rea plans to remain semi-pro, although he figures that he will probably get some flak from the other racers. He says that he needs to work on his snowcross before moving up to the pro circuit.

## Ione tracksters

By Anne Morter

The Ione tennis teams had two outings this week, traveling to Helix on Thursday and hosting Umatilla on Saturday.

In other play, Brent Sheirbon was defeated by Alejandro Moreno, 6-3, 2-6, 6-3, and Tony Bjerke fell to Brian Brogotti, 8-4. Also Mike Green was defeated by Shane Purcell, 8-0 and the doubles' team of Juho Ali-Raatikainen and Aaron Heideman lost to Brogotti and Purcell, 8-5.

In girls' play, Heidi Orem defeated Tanya Sheets, 8-2, and Michelle Kandle downed Mandy Lai, 8-1. In doubles' play Sheets and Lai came back to defeat Ione's Bridget McElligott and

Jessica Stefani, 8-1.

On Saturday the girls' team posted three wins to two losses against Umatilla, but the boys were swept by the Vikings.
