Super individual efforts proved to be the norm rather than the exception as eight Heppner High School track athletes qualified for the state 2-A track and field meet at Western Oregon State College this Friday and Saturday, May 22 and 23, in 10 events. Of those 10 events, nine were district champions.

The Heppner athletes had no regard for the record books as meet records, school records, and individual records fell to the onslaught at the District 7 2A track meet at Hermiston last Friday and Saturday.

Track team members front l-r: John Qualls, T.R. Riehl, Kim Umbarger, Leonard Brittner; back-Alissa Brownfield, Kelsie Evans, Jenny Krein, Char Coe.

Leading the Heppner assault was sophomore Leonard Brittner who was a triple blue-ribbon winner. He won the triple jump in a district and school record leap of 44'8". That bettered his previous state-best jump of 42-10 1/2 earlier in the season. The old district record was held by Ken Nesbitt of Sherman County with a 44-8 mark set in 1975. The old HHS school record, 43-11 1/2 was shared by a pair of former jumpers, David Allstott in 1977 and Richard Schmidt in 1978.

Brittner also won the long jump with 21' 1 3/4" and the high jump with a 6'5" leap.

The other district and school record was set by freshman Jenny Krein in the 3,000 meter run with an 11:02.3 clocking. The former district was set by Wendy Wolfgram of Pilot Rock in 1979 with 11:03.9. Krein set the school record in the 3,000 at the Cascade Meet of Champions earlier in the season at 10:56.4. Her new school record came in the 1500 meters with a 5:13 time. She had earlier set the record formerly held by Jodi Padberg of 5:15.2 set in 1985.

Freshman Kelsie Evans was the other dual qualifier for the state meet, winning the 400-meter dash in 1:02.7, a personal best, and anchoring the 1600-meter relay team to a first-place finish in 4:27.2. Other relay members going to state are Krein, Alissa Brownfield and Char Coe.

Also qualifying for the state meet in one event were district champions John Qualls in the 3000 and Kim Umbarger in the

100-meter high hurdles. Qualls ran 9:51.5 for his blue ribbon, a personal best, and Umbarger was clocked at 18.7 in the hurdles.

The eighth qualifier was junior T.R. Riehl in the javelin. Riehl was the leader in the preliminary throws and hung on in the finals for second place with a throw of 145'9".

Earning a pair of third place finishes and a fifth was Shane Munkers who had PRs in the discus and shot put. One of his third-place efforts came in the javelin.

Other third-place finishes included Jeanine Michael with an 86-4 throw in the javelin and Umbarger running 52.6 both were personal bests.

Fourth place finishes were earned by the girls 400-meter relay team of Michael, Evans, Coe and Brownfield in :59.4, a season's best; the boys 1600 relay team of Ryan Munkers, Joe Lindsay, Riehl and Tony Burt at 3:56.9, another season's best; Coe in the high jump and Qualls,

running 4:37.2 for 1500 meters.

Fifth place went to Ryan Munkers in the pole vault and Burt in the 400-meter dash. Burt also placed fourth in the 300-meter intermediate hurdles. Also placing fifth were Sherry Bingham, jumping 27-4 in the triple jump and Brownfield with 1:04.8 for 400 meters. Both were personal bests.

Sixth place finishers were Coe in the 400 meters, Shawn Foster at 1500 meters and the boys 400-meter relay team of Willie DeBoer, Lindsay, Riehl and Burt. All were personal or season's best efforts.

"We simply did not have the depth to compete for a team trophy in either the boys or girls competition," said head coach Dale Conklin. "Our girls, however, came through with more individual first place winners than any other school in the meet. I think we can out perform the other schools at the state meet and that indicates the level of our individual talent."
