La Nina is Coming!  
Yes La Nina (little girl) is pushing El Nino (little boy) out of our coastal waters which means the mild & dry weather we have experienced the past year or so will be replaced by a more "traditional" weather pattern as early as September this year.  
So your chimney sweep says it's time to schedule your annual heating system cleaning & safety inspection. Call D & R Chimney Sweeps at 938-3869 for appointment.  
Due to rising operating costs the past three years we've finally had to bite the bullet and adjust our rates to cover these increases. We still offer a 10% neighborhood discount so get with your neighbors and order your appointments by the block & save.  
Remember a clean chimney means a safer and more efficient heating system.

Thanks, Roger Lawrence

On July 15 a small group of people ranging in age from two to 80 met at Bliss Printing in Hermiston to assemble the premium books. They volunteered at least nine hours of their busy schedules to get the books done. Ed Glenn of the Columbia Chronicle in Boardman also put in many hours in preparing the premium book for publication.

The Fair Board would like to give all those people their heartfelt thanks and truly appreciate all the time these people put in to getting the premium book to the citizens of Morrow County.

Thank you again,
