La Nina is Coming!  
Yes La Nina (little girl) is pushing El Nino (little boy) out of our coastal waters which means the mild & dry weather we have experienced the past year or so will be replaced by a more "traditional" weather pattern as early as September this year.

So your chimney sweep says it's time to schedule your annual heating system cleaning & safety inspection. Call D & R Chimney Sweeps at 938-3869 for appointment.

Due to rising operating costs the past three year's we've finally had to bite the bullet and adjust our rates to cover these increases. We still offer a 10% neighborhood discount so get with your neighbors and order your appointments by the block & save.

Remember a clean chimney means a safer and more efficient heating system.

Thanks, Roger Lawrence
