Dearest friends,

We the parents and family of Don Lott wish to offer our deepest heartfelt gratitude to everyone who lent their sympathies, support and help in our time of need. Thank you each and every one.

The true measure and worth of any community is the manner in which its people bind together as a singular family unit whenever one of its members is in crisis. So many of you quickly and unselfishly put aside duties, obligations and daily cares of this world to join us in our sorrow and offer us your unlimited, unconditional aid. This most certainly separates and distinguishes our Heppner and surrounding areas from so many other parts of our nation.

With these things in mind we not only extend our thanks but also ask our Lord to bless and protect each and everyone of you.
