To Heppner Junior High staff and Heppner community. Thanks again for a great week. Your special efforts and that of parents and community is much appreciated. I'm very confident that your week's investment of time, energy and inconvenience does make a difference, in some instances today, in most cases tomorrow. In most scenarios, wherever the placement, our young people go back "branded" with a real sense of hospitality, sharing and giving. They will travel back to their home community with a special appreciation for a special place called Heppner.

Please extend our gracious thanks to all staff members, parents and patrons of the community (county) that so generously gave their time and energy.
Sincerely,
Dave Olcott and
