in our behalf, or have donated or sold foods or participated in any way in the family dinner or any other activities for our benefit, we aren't naming names. You know who you are. Even the warm handshakes, friendly smiles, the many phone calls, cheerful greetings and genuine concern have not gone unnoticed.

Only a small town with a big heart could have rallied as you have done and though words seem so inadequate and a simple "thank you" to all doesn't seem to convey our deep feelings, there seems to be no other way to express our gratitude. So we say again to each and everyone of you thanks from the bottom of our hearts. We are deeply in your dept. Thanks to all.
