Circumstances have kept us from saying how very much we have appreciated what this town and everyone in it has done for us. In an effort to reach all of you who have not been contacted personally we are taking this means to express our thanks.

For fear of omitting the names of some of the good people who volunteered to help in any way they could or have offered prayers and started prayer chains

## HAVE YOU LOST YOUR FREEDOM TO CHOOSE YOUR PHARMACY?

Today, thousands of Oregonians are being denied their freedom to fill their prescriptions at the pharmacy of their choice. Their insurance companies are forcing them to use another pharmacy. Many Oregonians would rather utilize their local pharmacies, where they can get the personal care and necessary advice they've grown to trust. Senate Bill 597, pending in the Oregon Senate, would allow any pharmacist willing to accept the rate set by the insurance company to fill your prescription. If you are tired of having to drive the extra distance to your insurance company's pharmacy, of having to stand in line, and be rushed through without feeling like you know all you need to know about your prescription; call these Oregon Senators and urge them to pass Senate Bill 597.
