1 CARD OF THANKS

Thank you to each and everyone of you who made our 60th wedding anniversary such a happy occasion. We especially appreciate those of you who have maintained the hall at Hardman so that those of us with roots there have it to go home to; the gang from Echo who worked so very hard in the kitchen; each of you that provided a salad or other food for the dinner; our three children, Harsh, Sandy and Teresa and their families for all of their hard work; and each of you that attended, sent cards and telephoned to wish us well. You really made our day!
Everett & Elma Harshman

We would like to extend a special thank you to all the people who made our recent baseball season such a great success.

Thanks to all the people who helped get our field playable at the beginning of the season. It took a great deal of work and we had a great crew helping.

Thanks also to the coaches and others of the Boardman community for making their field available to us and for getting it ready for us during playoffs. Your hard work was really appreciated.

Last, but not least, a special thanks to the parents and all of the people of the community who attended our games and gave us such great support during the season and in the playoffs.

Coaches and players of the 1993 Heppner High School Mustangs Baseball Team

I would like to express my most sincere thanks to Dr. Ed and Dr. Jeanne, the nurses and all the staff of both the Pioneer Hospital and the nursing home, for their tender care they took of my mother Irene Dollarhide for the past years.

I would also like to thank the Heppner Chapter of the Eastern Stars and the Masonic Lodge for the beautiful service they performed for my mother.

A special thank you to Kate and Buzz Lynch and the employees of Cal's for the dinner they prepared for our family after the services, and the ladies that brought salads, cake, etc.

Last but not least, I would like to thank my sweet wife Sharen for her help and comfort through this trying time.

2 NOTICES

I finally got a cow skull with horns and had it two weeks. Either someone took it or a dog dragged it away. If your dog has deposited it in your yard would you return it to 355 Water St. I would appreciate it.
