

Engagements

Wilson — Reece

Carmen Wilson, Lexington and Danny Wilson, Heppner announce the upcoming marriage of their daughter Jodi Fae Wilson to Scott Michael Reece.

They both graduated from Heppner High School in 1991. Scott is the son of Rick Reece, LaGrande and Donna Tate, Salem and is employed by Marlette Mobile Homes, Hermiston. Jodi is employed by Pacific Northwest Farming Company, Hermiston.

The couple plans a July 3 wedding at the Morrow County Fairgrounds in Heppner.

Letter to the Citizens of Morrow County

Pacific Gas Transmission (PGT) is pleased to inform you that repairs to Morrow County roads damaged by this past winter's construction of our natural gas pipeline in the county will begin in late June.

The first road repairs will take place on six miles of Baseline road located in the central county area. This work is scheduled to begin on June 29. Contracts are currently being prepared and will be awarded for other road repairs identified by the county and PGT. Repairs on county roads will occur concurrently to expedite the completion of this work and minimize inconvenience to the citizens of Morrow County and harvesting operations. Portions of the repair (such as that slated for Baseline Road) require extensive rebuilding of the road surface, in other locations minor filling and patching will be performed to return the roads to pre-pipeline construction conditions.

Deteriorated road conditions may be especially troublesome in some locations awaiting repair. To handle such situations, we are preparing with assistance from the county, a capability to respond with emergency repairs to alleviate these situations until the planned work can be performed. We will publish a notice with the information you will need to notify us within the week.

PGT's pipeline expansion through the county is not yet complete—construction is scheduled to resume west of Condon in mid-July and be completed at lone late this summer. The construction contractor's use of county roads during the summer months should forestall road damage. Of course, should further damage occur as a result of pipeline construction activities, PGT will initiate repairs on the affected roadways.

PGT is pleased to work with the citizens and officials of Morrow County. Thank you for your patience during the construction of our natural gas pipeline.

Signed,

Roland K. Young, Manager
PGT, Oregon Community Relations
