We cannot neglect to mention others such as church boards, who permitted the use of their buildings, the city council, who carried us on their liability insurance, the school district, who provided busses for transportation and especially the Morrow County Youth and Childrens Services Commission, whose initial grant last year and additional grant this year has given the project a great push.

Additional grants have come from the Meyer Memorial Trust, which supported the daily lunches and the Indian Encampment; the Outreach Commission, Oregon-Idaho Conference of the United Methodist Church, whose contribution will provide for the bus expense. Other contributors include Soroptimist, Blazer/Budweiser, numerous parents and individuals who have expressed appreciation by making a contribution of money.

All who have encouraged the program by their words of praise have been helpful and important contributors to the Summer Project's success.

This letter is an effort to say thank you to everyone in a personal way. There are not words to express the appreciation we feel. If there is any one we have failed to mention, we apologize.

Sincerely,
