Kid rides at fair

Kid-A-Ride from Portland will offer fun and thrills for young children this year at the Morrow County fair.

Kiddy rides will include racing cars, a train, a jumping ride, an airplane ride and games.

Kid-A-Ride provided kiddy rides for this year's St. Patrick's celebration in Heppner.

VanLiew to give demo on sheep

The rare and unusual Jacob Sheep will be the topic of a demonstration by Sandra Van Liew.

Sandra will speak about the sheep and demonstrate the spinning of their wool.

Sandra has been spinning the wool of the sheep, which originate in England, for nine years.

Sandra will give her demonstration on Friday, August 20 at 2 p.m. under the tent on the little league field.

Pennant bearers keep active

Kathleen Greenup

Carrying the flags for the Morrow County Fair and Oregon Trail Pro Rodeo court this year are pennant bearers Dawn Boor and Kathleen Greenup.

For flag bearer, Dawn Boor, carrying a flag in parades and grand entries is fast becoming "old hat". Boor, the 15 year-old daughter of Jim and Marie Boor of Ione has put in many long hours with the court this year, and she will soon complete her third year bearing the flags of the Morrow County Fair and Oregon Trail Pro Rodeo.

Dawn will have an extremely busy fair week as a member of the Martingales 4-H Horse club and 4-H cooking club. She also is a member of Wranglers Riding Club and has participated in many spring playdays and trail rides.

Dawn will be entering Ione

Dawn Boor

High School this fall as a freshman and is looking forward to participating in all sports.

When it comes to "Rodeo Royalty", flag bearer Kathleen Greenup carries on a family tradition that spans over three generations, from grandmothers, aunts, cousins, sisters and even a grandfather, Don Greenup, who was grand marshal in 1991.

Greenup is the daughter of Greg and Janet Greenup of Heppner and will be entering Heppner Middle School this fall as a seventh grader. Kathleen enjoys riding her horse, and is an active member of the Wranglers Riding Club, where she has earned many awards for her expert horsemanship. She is looking forward to participating in the volleyball and basketball programs this school year.

We're a state-of-the art
SHOWPLACE!

Like the Morrow County Fair is a showplace for the Agriculture and Livestock industries of Morrow County...we've become a showplace for production and handling of fertilizers.

Our new fluid fertilizer complex, which incorporates the

newest environmental technology, is the only one of its kind in the Northwest.

Its design allows environmentally acceptable methods of containing fertilizer mixtures within plant boundaries. Our ultimate goal --to protect our air and water.

Agricultural Chemicals-
 Fertilizers & Seed

Ideas to grow with

① Hard Work
② Ingenuity
③ Responsible Management

The Basics.

As a world leader in agribusiness, our success is characterized by the prudent use of basic resources such as soil, water and minerals.

And, while our foundation and future are irrevocably tied to these resources, we will continue to advance because we are also committed to basic human values.
