### Christian Life Center to show movie

The "Eye of the Storm" a new dramatic movie will be shown at the Christian Life Center on Sunday, Aug. 15 at 6 p.m. The movie stars Connie Selleca (Hotel, PS I Luv You), Jeff Conaway (Taxi, Grease) and Deborah Tucker (Dallas, Happy Campers).

The movie concerns award winning TV journalist Tom Edwards (Conaway), who is returning home from covering the Persian Gulf War. He and his producer Patricia "Petre" Peterson (Selleca) are given the task of "keeping the ratings high".

It puts them at odds, since Tom feels the best "story" is one which would trash the faith of returning servicemen and women. "The war is over, what role does God play now? Is He out in the open or has He been put back in the closet?" asks Tom in his TV interviews. "Petre" urges him to let God "speak" for Himself.

Tom's real war is at home with his daughter and within his own heart. In the wake of his wife's death, Tom immerses himself in

his work, leaving Jill (Tucker) hurt alone. Their struggling attempts to reach out to each other serve only to widen the gap between them.

Through the moving stories of soldiers from Operation Desert Storm and the faithful support of co-worker "Petre" Peterson, Tom comes to experience genuine peace in the midst of the storms that engulf him.

"Eye of the Storm" addresses vital, timely issues very relevant in today's society. Families will be captivated by the contemporary story of what faces many single parents and their children as careers are juggled with personal relationships.

"This film will pierce the hearts of viewers, both young and old, as they identify with very human hurts and find hope in very real answers," said a church spokesperson.

"Eye of the Storm" is produced by World Wide Pictures, the motion picture ministry of the Billy Graham Evangelistic Association.

For more information call the church 676-5581.

Jenny Bingham shows her latest needle point creation, a recreation of the official logo of the Oregon Trail 150th anniversary celebration.

It took Bingham a little over three weeks to complete the project, which she first laid out on graph paper before it was actually done on 11 count cross stitch material.

She has been doing needle point for 20 years, and once did a needle point of the Morrow County Courthouse.
