**Church plans flea market**

The Heppner Seventh Day Adventist church will be holding a flea market on August 29 from 9 a.m. to 1 p.m. in the church's gym behind the church on 560 N. Minor Street.

Different items will be on sale in different sections of the gym. The sections will include crafts, baked goods and yard sale items donated by the church members and others. Garden produce will be available and will occupy a section such as berries, squash, tomatoes, etc. Free punch will be provided for those who come to look or buy.

Proceeds from the sale will go towards the local swimming pool, a church in Albania and to Project P.A.T.C.H.. (Planned

Assistance for Troubled Children) which is a non profit organization that exists solely from personal contributions and grants from businesses and corporations. P.A.T.C.H. helps young people in the northwest that have problems at home and need a place to go or people that need counseling. P.A.T.C.H. has a ranch in Idaho with a licensed facility to house young people and works with state agencies that deal with young people and their problems.

The church would like to see the sale become an annual event if it successful this year, said a church spokesperson. If anyone has any questions or would like to make donations call 676-5031 evenings.

**Article inspirational**

To the Editor:

In the June 30 issue of the paper there was an article called "Imagine" written by a Crystal Minster of Lone which was a wonderful article and very thought inspiring. Perhaps if everyone in the country could read this article it might help so-

meone in the future from having these problems. It might be something Ann Landers or Dear Abby would publish thereby getting the message to many more people, some of whom it might help.
