Meeting slated for Cycle Oregon

By Anne Morter

An all-community Cycle Oregon informational meeting will be held in Ione on Wednesday, Sept. 1. The meeting will be held at the Ione High School starting at 7:30 p.m. Anyone involved with Cycle Oregon, no matter how remotely, is urged to attend. "It's everything you ever wanted to know about Cycle

Oregon but couldn't find anyone to ask," says Nancy Brownfield, event coordinator.

Approximately 2,000 cyclists and assorted support personnel are scheduled to spend the night of September 14 in Ione when Cycle Oregon comes to town. The cyclists will be fed dinner and breakfast before pedaling on their way.

Non-smoking bowling league formed

The Thursday night bowling league voted last spring to declare that their league will be four women per team and no smoking will be allowed on the premises. However, smoking will be allowed in the restaurant.

"The purpose of the rule is to have an evening of bowling for people that are allergic to smoke," said a spokesperson.

"There are some people who are highly allergic to smoke and would love to bowl, but their health won't allow it."

"Smokers have not taken offense to this rule and are willing to do their part to fill the league," they continued. "We know what the loss of the pool did to the community and do not want to lose the bowling alley."
